#	RESPONSES	DATE
1	The sense of community is extremely high. I had 4 kids go through the school system over the last 20 years and this is an incredible place to live and raise your family. As I think about getting older, having retirement communities to help our aging parents is important to keep them close to us as they need our assistance. I have always been proud to say I live here and my kids went to TJ Highschool. I have a tremendous respect for our community and people that create a great place to live.	1/2/2023 11:11 AM
2	It's safe & beautiful.	1/2/2023 11:01 AM
3	Great neighborhood and school district	1/2/2023 10:00 AM
4	It was that it was rural enough for wooded areas but close enough to shopping and medical facilities. But since Jefferson hills is more concerned with housing the rural aspect is out the window.	1/1/2023 7:34 PM
5	It is a well managed community supported by a quality school district	1/1/2023 12:22 PM
6	It's a low crime, family oriented, shopping accessible area with higher quality schools, medical facilities and access to the woods and nature. They should be aware that air quality may be questionable and there is a lack of AFFORDABLE senior housing.	1/1/2023 12:12 PM
7	Access to High School track for walking. Well lit at night.	12/31/2022 4:42 PM
8	Great Schools, very clean, good neighborhoods and the outdoors is right here.	12/31/2022 3:08 PM
9	Its not over populated, but that is apparently changing with each passing day. Neighborhood is safe, good schools and police department. Area is relatively quiet.	12/31/2022 1:54 PM
10	Good schools	12/31/2022 1:30 PM
11	I have recently spoke to friends about the Jefferson Hills community and thought about moving out of the area. Jefferson Hills is residentially developed and is financially sound, but offer no amenities like the surrounding communities. We have no Community center/programs, we lack recreational facilities, and sports complexes for a community of our status. We often take our kids to the Bethel Park Community center because they offer a wide variety of classes and activities but have to pay more because we don't live there. We should have activities like that available in the TJ area. This is a common topic, issue, problem that is always being discussed with other families in this community.	12/31/2022 1:24 PM
12	A lot of green space.	12/31/2022 1:14 PM
13	convenience to shopping and highways	12/31/2022 1:09 PM
14	Fishing streams, outdoor activity sites good schooling. Great public safety	12/31/2022 1:07 PM
15	Safe community	12/31/2022 1:02 PM
16	My family has lived in this area for over 100 years -- this history is important.	12/31/2022 10:59 AM
17	convenience to shopping and amenities	12/31/2022 10:46 AM
18	Relatively safe communities. Good place to raise children. Hospital within community.	12/31/2022 10:39 AM
19	Good Schools and New Housing Choices	12/31/2022 10:04 AM
20	We really like the location. When we moved here, we were near Century III and lived in the plan across the street from the High School. That has since changed with the closing of Century III and the new high school, but we still feel convenient to shopping and some restaurants. We also like following the HS football team.	12/31/2022 8:40 AM

## Jefferson Hills Community Questionnaire

21	Location, location, location	12/30/2022 8:09 PM
22	Safe and quiet community.	12/30/2022 6:13 PM
23	It is being over developed with a huge loss of green spaces. There is no check or public comment on construction projects or conservation. I would not recommend anyone to move here anymore because it has become over saturated.	12/30/2022 5:31 PM
24	A country feel in a suburban place. We love the quiet and the nature around our home. We moved here about 5 years ago and searched many many areas in and surrounding Pittsburgh. We were drawn to this Borough because of the quality of the schools, the closeness to many stores/restaurants/etc, and most of all because of the surrounding greenery and nature we found throughout the neighborhood. I also enjoy visiting the Library and walking the Montour Trail from easy access points we can drive to that are not far from our house.	12/30/2022 5:28 PM
25	Excellent schools. It is a wooded area (so far) but close to stores and malls when you want to go there.	12/30/2022 3:37 PM
26	My neighborhood is safe and friendly. My neighbors are wonderful and everyone looks out for each other. It is a great place to raise a family.	12/30/2022 1:27 PM

31	It used to be much better than it is now. All the shops and restaurants are gone.	12/29/2022 7:25 PM
32	I use to say that we loved this community because it was like living in the country with all the trees, parks, limited traffic and great schools. Sadly that is no longer the case. We have lost the trees and fields to housing plans. Our air quality is now poor probably as a result thereof. There is more traffic and congestion. The schools are becoming overcrowded. The taxes are outrageous and have not been lowered despite the growth in taxpayers. I would not recommend that a friend move here right now.	12/29/2022 4:18 PM
33	I don't think I would recommend Pennsylvania to anyone	12/29/2022 3:59 PM
34	Home rural. Stores close by and medical facilities quick to utilize. Recreation opportunities near by.	12/29/2022 2:18 PM
35	Clean, safe great place for a family. I feel safe raising my children here.	12/29/2022 1:15 PM
36	Low crime, Near shopping, near medical facilities, Great School District. Great Police Department	12/29/2022 12:22 PM
37	I'm sad to say all the important things to me are fading away. I would not recommend this as a place I love living. In the next 5 years we are moving.	12/29/2022 11:15 AM
38	My favorite thing was that it was quiet and scenic surrounded by trees, farms and orchards, not surrounded my numerous, quickly and poorly fabricated houses. Now I would say it is the close proximity to parks, creeks and trails, that aren't necessarily in the community.	12/29/2022 10:59 AM
39	Nice, quiet community however not much to do here. Not enough good shopping, restaurants, activities for kids or families. Have to drive elsewhere for those things.	12/29/2022 10:46 AM
40	The sense of community. People move back to have that	12/29/2022 8:39 AM
41	Beautiful area, quality schools and teachers, still relatively quiet surroundings despite all the new home constructions, plenty of churches, and many recreational opportunities.	12/29/2022 8:02 AM
42	Great School District.	12/28/2022 9:09 PM
43	excellent school education,hospital close by,	12/28/2022 4:57 PM
44	The schools are wonderful and the people are nice.	12/28/2022 4:30 PM
45	Relatively safe community with nice neighborhoods, close to schools, churches and medical facilities. New high school helps maintain property values in the community.	12/28/2022 3:34 PM

47	Convenient and safe community.	12/28/2022 1:26 PM
48	It used to be the green space, but I am disheartened to see all of the new housing developments going up and losing our wooded areas. I do enjoy the borough doing events for families with vendors and food, etc to bring people together.	12/28/2022 12:36 PM

60	Great school, (so far) safe area	12/27/2022 10:09 AM
61	Is a quite and growing community. Is a nice area and home construction around is a continuous work. Everything is good but TAX has been high and GOING UP and UP every year. Is there a way from Borough to work to reduce TAXES? Thank you.	12/26/2022 10:30 PM
62	Good schools	12/26/2022 9:27 PM
63	Good schools. Low crime. Affordable but nice housing.	12/26/2022 8:54 PM
64	I am new to the community, so don't have a lot of experience to base response on- I like the proximity to Peters Creek and the adjacent trail. I also appreciated the responsiveness of the borough engineer and the permit office when I called with questions in anticipation of purchasing my home in the borough	12/26/2022 4:34 PM

## Jefferson Hills Community Questionnaire

105	Convenience to the things I need and want.	12/23/2022 11:39 AM
106	Good schools . Nice neighborhoods .	12/23/2022 11:24 AM
107	Schools	12/23/2022 11:22 AM
108	Good community with great family oriented people who work hard for what they have . However our recreational facilities are horrible! When other communities come here to play on our ball fields , it is embarrassing . We are so far behind every other community around us . We need to invest in our recreational facilities and our children . We have no community center or pool , and what we do have is outdated and unkept ! We need to do a better job as a borough .	12/23/2022 11:05 AM
109	The community	12/23/2022 10:42 AM
110	Newer housing without association restrictions. Middle class neighborhood. Very good location for all of life's needs.	12/23/2022 10:42 AM
111	Great location to everything you need	12/23/2022 10:41 AM
112	I would not recommend Jefferson Hills. I am a lifer, but if not originally from here I'd move to areas that have restaurants/shopping/recreation facilities. We have nothing compared to others	12/23/2022 10:29 AM
113	Smaller close knit community and great school and sports teams.	12/23/2022 10:17 AM

117	The area we live in is private and unable to be developed by housing plans.	12/23/2022 6:06 AM
118	I grew up here, it's familiar and my family is here. The school system is top-notch and the teachers are amazing. Though the borough itself has nothing to do with the local community sports leagues, we have enjoyed watching the kids try cheer, football, and soccer and it's nice knowing they almost always have access to the borough's facilities and parks. I love on the 885 side and often walk/run on the Montour Trail which is a wonderful community benefit. Having Jefferson Hospital within our communities is also a huge bonus, it makes me feel safer knowing there is always emergency care nearby.	12/22/2022 11:10 PM

## Jefferson Hills Community Questionnaire

133	Nice, clean neighborhood	12/22/2022 4:42 PM
134	The location is far enough from the city but still close enough to get there easily. It's safe and generally pretty quiet.	12/22/2022 4:40 PM
135	This has been a safe and friendly place to live for the 46 years that I've been a resident.	12/22/2022 4:35 PM
136	Safety, good schools, nice neighborhoods	12/22/2022 4:19 PM
137	It was all the wooded area which is being developed.	12/22/2022 4:00 PM
138	Let's say what I use to like about Jefferson hills. I liked the open area. Houses not on top of each other like in Pleasant Hills. I like the wooded areas and A fun place for children to have adventures in their own back yards. Anymore you have to go to a park for this. The schools are great my children received a very good education here. I think the school environment being what it is helped them to want to advance and go to college. I think the community has grown but maybe to much so that it takes its charm away.	12/22/2022 3:18 PM
139	The open areas without houses	12/22/2022 3:11 PM
140	Jefferson Hills is primarily a residential community, implying that it is a relatively quiet community without high traffic 24 hours a day and high crime rates. This community is a beautiful one, the hills and views of Jefferson Hills are magnificent. The view of the ground beneath Jefferson Hills, not so much, yet! Albeit that past mining creates ground stability and water issues today, it is very possible that the underground workings may someday be converted into geothermal heating and cooling and renewable energy opportunities not only for Jefferson Hills, but for adjacent communities as well.	12/22/2022 2:17 PM
141	Small community in a semi rural setting.	12/22/2022 2:16 PM
142	Close to Hospital and medical facilities.	12/22/2022 2:05 PM
143	This is a very quiet and fairly safe place to live . The services provided in this area are excellent.	12/22/2022 2:02 PM
144	Nice area with great schools, close enough to get in and out of the city but with rolling hills and more rural atmosphere.	12/22/2022 1:54 PM
145	It used to be that it was semi-rural but now they are building so many houses and so many that are not to the standards in the past I don't think I would tell them to the taxes are high and we really don't get anything for them no community programs or ways to bring people together. If your kids are not in a sport or other activity there is no way to meet people	12/22/2022 1:26 PM
146	This is a small community. It's very close to shopping and services. I like that a hospital and doctors are close by. We are only 13 miles from Pittsburgh, if it's needed, and there is even more shopping and services between here and there. This is a country setting that isn't far from the city. I really appreciate that there are a lot of trees and wildlife here. I've lived in a lot of places, and Jefferson Hills is a rather unique place. Quiet country setting with close access to necessities. Thank you for asking.	12/22/2022 1:22 PM

151	Having been a resident for 38 years, I have found the boro to be the ultimate mixture of location, services schoo;s and ambiance. The quality of life, here, is simply good.	12/22/2022 12:53 PM
152	Sadly, nothing since roughly 2018 JH has gone down hill.	12/22/2022 12:44 PM
153	I have lived in the house we built in JH since 1974. I loved it then and I continue to love it now. It is a safe town that continues to be safe, convenient, and a proud place to live. Everything you need to live happily is here in our beautiful town.	12/22/2022 12:20 PM

167	Lots of open areas allowing to not feel cramped.	12/22/2022 10:16 AM
168	The woods and land space and that my family is close. It's upsetting that so much of the land space is being destroyed to build cheap homes.	12/22/2022 10:09 AM
169	Good schools; strong community ties; good blend of suburban / rural-like areas; safe community.	12/22/2022 10:00 AM
170	It used to be the natural rural setting with beautiful wooded areas but now most of that is gone unfortunately! High taxes are another minus making this area much less desirable than ever! The area needs more usable businesses to help with the tax base. Building needs to be slowed down our roads and schools can not handle more building! There used to be a lot to live in this area but those things are dwindling almost on a daily basis! A stronger business tax base is needed badly!!	12/22/2022 9:43 AM

activities for the kids unless you play a sport, cheerlead or dance. All of which you have to pay for so your kids can compete starting at a very young age. There is nowhere for the kids just to get together and maybe pick up a game or join a club. Everybody says get them off their devices. Well ok what would you like them to do? I get it that the library and churches have some functions that are great but it would be really nice to have a nice big recreation facility for these kids to go. Maybe put a pool table and ping pong or fuse ball tables for them to play on. A gym that kids who aren't on a team can just play ball. Not too bad in summer cause the parks are nice but the winters are awful. There are also no tutoring help if your kids need it unless you pay one of these super expensive learning centers. No after school clubs of any nature and no activity bus anyway even if your child wanted to get extra help in school. I really believe these things should be a priority for this new very expensive high school!!!!

186	Good schools, green space, safe community	12/21/2022 10:08 PM

193	School District is excellent. There are many events that include the community. Students have many opportunities to succeed in life.	12/21/2022 8:01 PM
194	I grew up in Jefferson Hills (class of '98). My husband and I, with our son, moved here 2 years ago to be closer to family. My husband and both work in the city so we are not far. The schools are great (however I am extremely concerned with the lack of physical release time for kids, but this seems to be a trend).	12/21/2022 7:52 PM

## Jefferson Hills Community Questionnaire

210	Low crime, a lot of rural areas.	12/21/2022 5:16 PM
211	Suburban yet country feel to community is important. Quality schools and medical facilities make me stay. However some better businesses need to be plan as great loss of shopping since Century 3 Mall disappeared. More quality grocery stores, restaurants, businesses are needed. Also need are community services and programs for widows and widowers to gather for socialization.	12/21/2022 5:13 PM
212	The borough has very good schools and the teachers actually care that the students are learning. Public transportation is available and well as park and ride lots. Community events are held to keep the "family" type atmosphere. People of the borough are generally friendly. Law enforcement maintains a safe community, from what I have seen.	12/21/2022 5:08 PM

222	it is a safe community with good schools.	12/21/2022 4:13 PM
223	My favorite thing about Jefferson Hills is that a number of the people that have moved into the community over the past 10 years are just like my family. They are families moving here in order to get into a better school district for their children, or looking for a new home because they've outgrown their previous home and looking to get into a nicer neighborhood, or build in one of the many growing plans in the area. Many of the people here are from surrounding communities and have a number of things in common, and it makes for an easy transition.	12/21/2022 4:10 PM

## Jefferson Hills Community Questionnaire

238	My favorite thing about Jefferson Hills is the first responders. However, I wouldn't recommended anyone to move to Jefferson Hills. The air quality here is bad. Such a shame that the ozone actions/air quality days are so frequent when there is a low cloud deck. As for how to better the community.... Make change to lower the school and boro taxes, better identify how money is being spent. Boro leaders should not assume that information is being distributed appropriately.	12/21/2022 2:06 PM
239	Low crime, good schools, close to shopping, good government	12/21/2022 2:03 PM

245	Very safe and comfortable community. It only takes minutes to access most of the services we use on a daily basis (medical care, groceries, restaurants, banking). Keeping these intact and/or expanding them is a must.	12/21/2022 1:11 PM
246	It's a safe and well-run community. People take pride in their neighborhoods. We have a great school system and boro services, such as the library and parks.	12/21/2022 12:58 PM

258	Schools, land around homes and community	12/18/2022 9:02 AM
259	First of all, I moved here from Philadelphia so I came from an urban area and I am retired. Many of the items above to do pertain to me. I moved to this location because of the type of living community I was looking for. I live in Jefferson Estates and have an active neighborhood community.	12/16/2022 11:31 AM
260	Grew-up here, TJHS class of 1988.	12/14/2022 4:47 PM
261	Good area for my kids to grow up and it's in a good location relative to the city and travelling to surrounding areas.	12/5/2022 10:06 AM
262	Sorry to be a downer, but for the taxes we pay we dont have facilitates like other boroughs do. I would tell them to move to USC. They have multiple nice/updated parks and recreation facilities along with a pool. For someone with a young family, our parks are disappointing, especially Gill hall park, its pathetic.	12/2/2022 4:14 PM
263	Great place to live and close to certain places.	11/29/2022 10:44 AM

I'm tired of seeing Ryan home plans tear down all the beautiful wooded areas just to look at 100 beige squares in a row. Put that money towards small businesses and other things in the community.

333	That almost anywhere in the borough you live you feel you are partially surrounded by trees & wooded areas	9/19/2022 6:28 PM
334	My husband and I moved to Jefferson Hills because it was close to our church we go to..Previously we lived in Clairton and Pleasant Hills. We were comfortable with the stores and how to get around. The people are very friendly, kind and willing to help when others are in need. We think it is a good community.	9/19/2022 2:45 PM
335	Convenient access to Rt 43. Montour trail access. Safe neighborhood.	9/19/2022 1:53 PM

350	Good school district, safe.	9/14/2022 2:27 PM
351	I like that we are tight knit community - small but not too small. Most of us who are born here decide to stay here and raise our families. I like that we have lots woods/nature and space to spread out (although that is diminishing at an alarming rate). Our overall atmosphere isn't city but its not super rural either which is a nice balance.	9/14/2022 1:47 PM
352	People are very nice and neighborly.	9/14/2022 12:22 PM
353	There's not a community building offering anything active, not a pool, not much local business/restaurants, and no sidewalks. The best thing about the area is seeing green spaces, trees and some of the people that live here.	9/14/2022 10:47 AM
354	Natural setting (however, more homes have taken much of nature away), good schools, quiet	9/14/2022 9:27 AM

355	Schools	9/14/2022 9:11 AM
356	School system has been wonderful for us. Our family is close by. There is not much more to say, to be honest. No public areas for families or rec center, no convenient/safe shopping, no sidewalks, no Main Street for local businesses.	9/14/2022 8:43 AM

366	Growing community - friendly Need more shopping and restaurants. Tax incentives for them	9/13/2022 7:34 PM
367	I'd tell them not to move here. The school is a joke unless you're a student athlete. Not to mention the school board is filled with a bunch of science denying idiots.	9/13/2022 6:06 PM
368	Access to everything you need is right nearby.	9/13/2022 4:39 PM
369	Quiet, slowed down pace	9/13/2022 3:15 PM
370	It has been a wonderful community to raise a family.	9/13/2022 11:26 AM
371	In the 5 years since we moved here, the area has become less desirable. Aside from new school facilities for the high school students, which we pay for in high taxes, I'm not sure what else the area offers.	9/13/2022 11:18 AM
372	Great community setting with good school district.	9/13/2022 10:27 AM

379	the quiet, semi-rural environment	9/10/2022 5:58 PM
380	I grew up here. That being said, there's nothing but homes here. It's a beautiful area but there's nothing here. You have to drive over half hour for shopping except grocery stores. Other than to bring friends and family closer, I don't encourage people to move here. The taxes are too high for another reason and the elderly have nothing here and neither do the children.	9/9/2022 9:02 AM
381	I grew up here, most of my immediate family still lives here or in the school district. I want to see the community grow and thrive. I believe we could do better allowing business into the borough, I was disappointed that so many in the community fought UPMC. They had medical offices proposed to bring in tax revenue and I believe other businesses would have been drawn to the common with the number of people in and out of the hospital. I also believe they would have been willing to donate money towards infrastructure within the community. People within the community want a recreational center and a pool, but anytime a large business proposes using large commercial property, people fight it for fear of traffic. The surrounding	9/8/2022 8:37 PM

## Jefferson Hills Community Questionnaire

communities that have businesses and traffic also have recreational centers and businesses that pay taxes to their schools. I support the local small businesses as much as I can. But the tax revenue they generate is not enough to support what many in the community want.

382	Very family friendly community.	9/8/2022 4:59 PM
383	I like how quiet it is where I live, and I love that there are a lot of acres of woods around me.	9/8/2022 4:17 PM
384	The family friendly community	9/8/2022 3:19 PM
385	The first thing I think about when I hear Jefferson Hills is our school district. WJHSD has always been top notch and I hope that it can continue to be! Also, the wooded lands around us!	9/8/2022 1:37 PM
386	Jefferson is HOME. The people are kind and caring.	9/8/2022 9:36 AM
387	Jefferson Hills is a community that takes pride in the youth with the schools inside the community, pride in freedom of religion with numerous places of worship, and pride in its small businesses.	9/8/2022 7:41 AM
388	10 miles from City if Pittsburgh employment and cultural activities	9/8/2022 5:19 AM
389	Wooded areas / sprawling landscapes	9/7/2022 10:56 PM
390	Came her for the schools and the peace and quiet but still near the city. With young children I would love to see the library area for kids expanded as well as a rec center, those are reasons we would think about moving	9/7/2022 10:34 PM
391	Family and friends are here	9/7/2022 7:00 PM
392	Quiet, wooded atmosphere still close to the city	9/7/2022 6:52 PM
393	We just moved here from VA last year so we are still learning about the area and it's offerings. But we live the local community feel. Calmer environment then where we came from. Would love more sidewalks for walking safely through neighborhoods. Especially Bruceton, Arbor, OCR, Gill Hall	9/7/2022 10:23 AM

398	Great school district although getting overcrowded. Close to almost anything you need and not far from downtown Pittsburgh	9/6/2022 4:41 PM
399	I grew up in Jefferson Hills, raised my family here and I am watching my grandchildren grow up here. For the most part Jefferson Hills has been a family oriented area. Each neighborhood had multiple family members stay in their area. There are still neighborhoods like this, but not many. Family is very important in our lives and communities.	9/6/2022 12:52 PM

## Jefferson Hills Community Questionnaire

409	I have good friends and neighbors. Unfortunately, the living area of Jefferson Hills is quickly becoming less appealing. It USED to be rural, but is quickly becoming the suburbs, which I DON'T appreciate.	9/5/2022 6:19 AM
410	Great neighbors, close to Montour Trail, shopping only 10 minutes drive, taxes and housing costs reasonable compared to many other Pittsburgh townships.	9/4/2022 4:18 PM
411	It used to be there were still many green areas around homes but that is quickly changing. We did appreciate the quality of the local school district and are very grateful for the police, fire, and ambulance services plus easy access to Jefferson Hospital.	9/4/2022 9:56 AM

424	The schools and location in the region	9/1/2022 8:05 PM
425	Our favorite thing about Jefferson Hills is the location. It's conveniently located to local area stores, shops, banks and medical facilities, to name just a few. It also is a safe and secure-feeling locale with regular patrolling and visibility by JH police dept. Our neighborhood has a quiet, country-like atmosphere yet access to any of the above and more is only a 5 minute drive away!	9/1/2022 3:13 PM
426	It is relatively close to hiking and biking trails	9/1/2022 1:15 PM

434	Green space	8/31/2022 3:03 PM
435	I grew up here and stayed to raise my child close to my parents. Gill hall elementary has been wonderful and principal zunic is amazing! Honestly cannot sat enough good things about him! I wish he was going from school to school with my son! Unfortunately that's about all... the parks are not upto date based on our taxes. The baseball fields are a joke. We have zero shopping or eating options. We go outside our community to participate on these things and our taxes are extremely high. I have an extreme fear with how many homes that are being built the schools will all be to small a d my child may get lost on the shuffle. I'm afraid to add on to my house in fear of the school coming after me and killing me in taxes, like I have heard form so many others.	8/31/2022 1:12 PM

439	The most important things to us at this time is our great police force and safety, and keeping taxes low. We used to love how quiet it was 17 years ago before all of the housing plans went up and increased traffic ten fold, not happy with that or the taxes.	8/30/2022 8:34 PM

446	Safe community with a good school district with strong principals. Lots if areas to take kids to play outside	8/29/2022 9:35 PM
447	Living in the Boro for over 80 years I can't recommend it because the taxes are too high that pretty soon I might not be able to live here on a fixed income. The best thing for me is having the hospital close by so I don't have to go to Pittsburgh.	8/29/2022 9:15 PM
448	The safety of the community	8/29/2022 6:56 PM

468	Location. I wish the new council would recognize the importance of the Gill Hall Fire Dept. This was a selling point to me. There needs to be changed to the council, they have ruined this once awesome community.	8/28/2022 4:15 PM
469	Homes are not on top of each other. Good school district.	8/28/2022 3:48 PM

471	Great schools!	8/28/2022 2:22 PM
472	Moved here by my myself originally in 1992 as a young 20 year old. I did it to be near friends but close to my family too. I loved to hearing the chickens and the cows off in the distance every morning and night. I work off hours so it was a blessing to drive home late at night and feel safe from speeders and drunk drivers. My husband and I married in 1996. We thought It would be nice to move to Pleasant Hills and be closer to shopping, but we hated it. Houses to close, neighbors too stuck up. Several years ago we moved back. It's a semi country boring near the city. That's what we love!	8/28/2022 12:17 PM
473	Jefferson Hills has a great community feel and everyone in the community is proud of their community and rallies around the kids and small businesses. It also is a safe place to live and raise kids. School district gives the kids a lot of opportunities.	8/28/2022 11:42 AM

## Jefferson Hills Community Questionnaire

	unbelievably high.	
494	Location to everything, very convenient. Good school system and activities for kids.	8/27/2022 8:32 PM
495	Really there is not anything. My taxes are high. No good business or jobs. No quality stores only car dealerships and car stores. No nice parks or recreation facilities. No community pool. We have lived in our home since 1993 and the street has only been paved once. Our street (oakwood ) has many bumps potholes and very uneven road near sewage drains. Many other boroughs give a recycling can that is new and looks much better when everyone in the neighborhood has the same cans. We will probably be moving out. I was encouraged with a Upmc coming to Jefferson but I guess that is being shut down also. So sick of the roads and lack of quality businesses.	8/27/2022 8:02 PM
496	Close enough to the city if Pittsburgh, close knit community, safe with good schools.	8/27/2022 7:56 PM
497	Friendships, grocery stores, medical care, walking areas, community events, faith communities...	8/27/2022 7:55 PM

501	Can't think of anything.	8/27/2022 6:49 PM
502	The area is rural yet close to some places still even though a lot of businesses along Rt. 51 have shut down.	8/27/2022 6:11 PM
503	Low crime, nice parks, public library very accessible but we have no shopping in the area. Need to bring businesses to the area.	8/27/2022 5:34 PM
504	The taxes are high but the school district is really good. It is close to the city, hospitals, parks and trails.	8/27/2022 5:33 PM
505	Access to nature	8/27/2022 5:20 PM
506	The school system	8/27/2022 4:44 PM
507	I grew up here all my life, the school district is great. Everything is pretty convenient. Just wish there was more affordable housing in the area. I know we pay for a great district, but houses 300k-600k is absurd, not all of us here come from money. Some of us are single parents doing are best.	8/27/2022 4:05 PM
508	Variety	8/27/2022 3:56 PM
509	Spread out land and house parcels	8/27/2022 3:27 PM
510	Beautiful surrounding with great neighbors and school district.	8/27/2022 2:50 PM
511	Being near the country while still being near to shopping. But taxes here are too high for the schools, I tell people without kids, like us, to avoid the area. We're about to get priced out of our home for a system we will never use.	8/27/2022 2:29 PM
512	I can't sell it. My family is here so I am here but no shopping, good restaurants are sparse, no walkable activities, taxes are ridiculous. I think the schools are good. ☺	8/27/2022 2:03 PM
513	Great school district and the security that has been implemented in keeping our children safe in school is what I brag about the most!	8/27/2022 1:48 PM
514	It is a great place to raise a family	8/27/2022 1:45 PM
515	Jefferson Hills is a wonderful community to raise a family. The school district is excellent and there are decent people who live here.	8/27/2022 1:36 PM
516	peaceful setting inhabited by quality neighbors	8/27/2022 1:31 PM
517	Well it would of been what a nice private, quiet community we are until they put a new housing plan everywhere you turn and took all that away	8/27/2022 1:29 PM

## Jefferson Hills Community Questionnaire

519	It's a very family friendly area with a great school district, we love it here	8/27/2022 1:24 PM
520	The area of Jefferson where I live is very convenient to route 51, South Park etc.	8/27/2022 12:34 PM
521	School district is excellent and parks to do activities. The district though needs more businesses and not houses.	8/27/2022 12:11 PM
522	I truly wanted to parts of living in tj, until I got here. The people are amazing. You and your family have amazing opportunities.	8/27/2022 12:03 PM
523	It used to be that it wasn't overly populated with new plans everywhere and there was a lot of woods...land. Now I don't really have an answer to that question. I don't love Jefferson Hills as much as I once did. What drew us to move here has changed. I plan to leave as soon as my children graduate.	8/27/2022 11:49 AM
524	As a life long resident, this is hard to answer, since I have nothing to compare it too. But it is a friendly, welcoming place to live with an excellent public safety setup. Politics here sucks, but probably not as bad as most other places.	8/27/2022 11:40 AM
525	Close proximity to our shopping needs (Target, groceries, Kohl's, etc)	8/27/2022 10:37 AM
526	Great place to raise a family.	8/27/2022 9:57 AM
527	Moving back here from another state, our focus was on a good school district for our kids. We talked to some friends of ours who lived here and had kids that went to school here, too. They helped us in making that decision to choose Jefferson.	8/27/2022 9:56 AM
528	Great school district	8/27/2022 9:31 AM
529	The community pride.	8/27/2022 9:31 AM
530	Close to city but quiet, suburban living.	8/27/2022 9:30 AM
531	This is my husband's childhood home and where we raised our daughters. The school district played a major role in staying here. Now we are retired, I still believe it is important for others. We are 10 minutes away from Century III Mall, that was important but sadly that closed. But shopping is very important. Thanks for asking our opinion	8/27/2022 9:14 AM
532	It is safe, quiet neighborhood with a very good school district, accessible to hospital, stores, clinics and parks (though we need a much better park facilities like a spray park or public pool)	8/27/2022 7:58 AM
533	Excellent schools	8/27/2022 7:47 AM
534	It's a safe community with good schools.	8/27/2022 7:45 AM
535	Depending on what part of jefferson hills you live in. Some parts are quiet with houses not built right net door and there are houses right next door. Your choice, doesn't matter great place to raise a family.	8/27/2022 7:45 AM
536	Community orientation	8/27/2022 7:43 AM
537	I love the country living, small town feel but still not being too far from shopping or the city. I love the friends my family has made here.	8/27/2022 5:40 AM
538	Family friendly	8/27/2022 5:36 AM
539	It's fine living here. Ok school ok area ok location most of the ppl r fine. Nothing blows my mind except it's affordable. If u r looking for something that's mostly balanced - this is it.	8/27/2022 5:18 AM
540	Nice people. Not "in the city"	8/26/2022 11:53 PM
541	It's where my family home is located and is a safe place to live with a decent school district.	8/26/2022 11:36 PM
542	Good schools, nice environment and close to the city	8/26/2022 11:36 PM
543	School district	8/26/2022 11:32 PM
544	Friendly neighborhoods. New high school.	8/26/2022 11:30 PM
545	Good schools but wish taxes were a bit lower and the price for houses in the area are absurd at the moment.	8/26/2022 11:29 PM
546	I would say the people are pretty friendly.	8/26/2022 11:17 PM

## Jefferson Hills Community Questionnaire

547	Great School	8/26/2022 11:16 PM
548	Welcoming community, great schools	8/26/2022 11:10 PM
549	Nothing is my favorite thing today. It used to be that it was less populated. Now that they are building so many vinyl villages (crappy housing plans) it is destroying the area.	8/26/2022 11:05 PM
550	Safe and cozy place to live. Everyone is friends.	8/26/2022 10:44 PM
551	School district	8/26/2022 10:40 PM
552	We have lived here 15 years and have seen the community change in a lot of ways but remain loyal residents. Although I don't agree with all the new housing projects being built I continue to believe our school district is wonderful and there are opportunities for my children to get an amazing education. I enjoy it's closeness to my job and the community does a lot to keep kids engaged with one another through recreation programs in the summer. I do wish we had a recreation facility that offered fun activities for families throughout the entire year including an indoor pool.	8/26/2022 10:21 PM
553	Safe Happy Keep politics out of school.	8/26/2022 10:15 PM
554	Friendly people. Good schools. Central location- can get to the city rather quickly. Lots of parks around. Overall great area!	8/26/2022 9:59 PM
555	School district, South Park nearby	8/26/2022 9:55 PM
556	School district on the rise (hopes that trend continues) and new communities.	8/26/2022 9:55 PM
557	I wouldn't at this time. I think the beautiful area has been decimated by all of the development and the lack of infrastructure to support it.	8/26/2022 9:23 PM
558	It's small, but not too small. It's a safe and welcoming neighborhood.	8/26/2022 9:17 PM
559	Growing community but needs to stop residential building. Losing our quite wooded areas.	8/26/2022 9:13 PM
560	Good schools. Safe. Quiet. Lots of land and woods.	8/26/2022 9:07 PM
561	Great School district	8/26/2022 9:06 PM
562	I love the area and the people. It's a great place to live, great place to raise a family.	8/26/2022 9:04 PM
563	Great school district	8/26/2022 8:59 PM
564	I love that there are green spaces, very convenient to the city and people are mostly friendly. I wish there were more small businesses... be nice to turn one of our empty spaces into an incubator kitchen that rotates talent.	8/26/2022 8:58 PM
565	Very friendly community & great schools	8/26/2022 8:48 PM
566	I like the size of the community. I really like the school district. I love going to football games on Friday nights. I love the small local businesses such as tavern in the hills, pleasant bar and truss.	8/26/2022 8:43 PM
567	Schools	8/26/2022 8:32 PM
568	It's close to the city and easy to get to places.	8/26/2022 8:21 PM
569	Best of both worlds. 30 minutes from the city, with the woods in your backyard, along with a supportive community, and great schools.	8/26/2022 8:13 PM
570	Great school and great people.	8/26/2022 7:59 PM
571	Not really any. Place is pretty much void of any real consumer oriented. At least the major chains. Gotta travel out of community	8/26/2022 7:57 PM
572	I'd tell them they shouldn't move here it's awful!! It's over populated, crime is going through the roof, the schools are a mess, public works it's terrible at their jobs, and the average person is extremely snobby.	8/26/2022 7:51 PM
573	I use to enjoy the rural scenery/woods feel. Unfortunately that is all changing with new developments.	8/26/2022 7:42 PM

## Jefferson Hills Community Questionnaire

574	At the current time I enjoy the school district and new high school. Neighborhoods are generally well maintained.	8/26/2022 7:38 PM
575	Quiet safe suburb of south of Pittsburgh	8/26/2022 7:28 PM
576	Close enough to what you need, but far away enough from the city. Excellent healthcare in the borough and an excellent school district. The area is family based with parks and recreation.	8/26/2022 7:17 PM
577	Good schools. Safe community.	8/26/2022 7:15 PM
578	My neighborhood	8/26/2022 7:13 PM
579	Most of the things we need are close. Shopping. Health care.. Dining out. Excellent police force. Great schools.	8/26/2022 7:11 PM
580	Good schools, not urban	8/26/2022 6:56 PM
581	Growing community	8/26/2022 6:50 PM
582	People	8/26/2022 6:46 PM
583	Great schools and neighborhoods with lots of kids !	8/26/2022 6:40 PM
584	School district and resources in the community (ie local police)	8/26/2022 6:33 PM
585	I have been a resident of Jefferson Hills my entire life. I worked here as a young man and as a professional. I received a great education and had the opportunity to become a supporter of our library, historical society, church, and school activities. With some exceptions, we are as fine a community as any in the South Hills.	8/26/2022 6:28 PM
586	Quality of people and school district.	8/26/2022 6:05 PM
587	I probably would not encourage them to move here. Taxes too high. Too many housing plans. No longer a quiet, almost rural area	8/26/2022 6:02 PM
588	Nothing- council is run by a clique of "desperate housewives wannabes" who don't care about the community and only care about themselves.	8/26/2022 5:55 PM
589	The people and the school. The teachers and staff make our school a fantastic place to send our children to learn. The people in the community always come together when help is needed or issues need resolved.	8/26/2022 5:51 PM
590	I love all the land. Unfortunately I see all the beauty is being overrun by housing plans. I don't feel we are very protected if our house were to catch fire. I do like the opportunities the schools offer the kids, although the more housing plans are going to bring more kids and the capacity of the school is already tight. I can't say I'd tell someone they should relocate here and we've only been here for 2 years.	8/26/2022 5:50 PM
591	Good school district	8/26/2022 5:38 PM
592	Used to be able to tell a lot of good things, but that isn't true any longer. The boro has gone down hill for years. Only building homes and not concentrating on smaller businesses	8/26/2022 5:11 PM
593	I appreciate the families and opportunities within the school district. The teachers and staff within the WJHSD school district are phenomenal. I also like community programs like summer rec, community day, and the night markets. I feel like this is a safe community, and that's important to me, as well.	8/26/2022 5:07 PM
594	Great school district and safe neighborhoods.	8/26/2022 5:01 PM
595	My favorite thing about Jefferson Hills is the higher end housing nestled in wooded areas.	8/26/2022 4:52 PM
596	Good schools, not alot of crime, neighborly folks	8/26/2022 4:51 PM
597	Safe neighborhood, not over crowded or over built, good schools	8/26/2022 4:51 PM
598	I'm not sure I would. If you can allow hunters field, Washington square and whatever is being built in matthews property to be built without requiring a playground like every other boro, I think you are pretty dumb.	8/26/2022 4:42 PM
599	Jefferson Hills is a beautiful area that is quiet and has a community feel.	8/26/2022 4:31 PM

610	Close-knit community, schools	8/26/2022 2:44 PM
611	Everything is close. The location is great. Taxes are way too high. There is a real possibility we will have to move within the next 5 years because we can't afford the taxes. And every year they go up.	8/26/2022 2:43 PM
612	Still a little bit rural. Great schools.	8/26/2022 2:40 PM
613	The schools	8/26/2022 2:35 PM

616	The natural beautiful woods, remote	8/26/2022 2:21 PM
617	The school district is great!	8/26/2022 2:06 PM
618	Honestly I live down in floeffe. We are forgotten ALOT down here. But this small little village of a neighborhood is why I love TJ! ♥ we moved here 10 years ago because it was a small piece of country close to everything. And because of the great school district. Unfortunately both have gotten worse over the years! My reasons for telling people to move close to us are really gone. However we don't plan on leaving so I hope to see the community and the township improve and try to do better and I'd love to help in anyway possible.	8/26/2022 1:47 PM
619	Great schools sports programs and community events	8/26/2022 1:43 PM
620	Great schools.	8/26/2022 1:13 PM
621	Quiet, small community. Close enough to city for commute, but far enough away to feel more secluded	8/26/2022 12:54 PM
622	Schools	8/26/2022 12:53 PM
623	I grew up here	8/26/2022 12:35 PM
624	How it seems relatively safe, the close proximity of shopping and schools, being super close to the city but still having woods and nature near by.	8/26/2022 12:27 PM
625	The people we have met here.	8/26/2022 12:23 PM
626	It is a newer community with great potential.	8/26/2022 12:18 PM
627	School district and wooded areas.	8/26/2022 12:14 PM
628	Sense of community	8/26/2022 12:03 PM
629	The community is great because it mixes proximity to a major city with a rural feel while providing a great school district, proximity to outdoor activities (trails, streams, etc.), and families similar to our own.	8/26/2022 11:59 AM
630	Nice community and conveniently located	8/26/2022 11:52 AM

633	The sense of community, proximity to outdoor activities, good school district	8/26/2022 11:22 AM
634	It is close to things. The housing plans are family friendly.	8/26/2022 11:20 AM
635	Well at the time we moved to Jefferson Hills, it was not another built up community. Now with all the homes going up everywhere it's really starting to bother us. We moved here because it was more rural. Now it's just another community with cookie cutter homes.	8/26/2022 11:18 AM
636	Jefferson hills is a small town close to everything in the area.	8/26/2022 11:10 AM
637	I'd tell them to move to my neighborhood; it's the best in the boro	8/26/2022 11:09 AM
638	Safe, good schools, activities for families, stores, restaurants close by	8/26/2022 11:07 AM
639	That this community has a small town feel. You can go to a restaurant such as Yolis and be sure to run into a familiar face. Also more often times than not, when you are born and raised here, you typically start your own family here. It's by far the best community to live in.	8/26/2022 11:01 AM
640	Stop ruining the wildlife areas by over populating the area. The schools are already too full and we don't need anymore housing.	8/26/2022 10:56 AM
641	It's far enough away from the city but still convenient to go.	8/26/2022 10:52 AM
642	I've had positive interactions with the schools and rec sports programs. I like that my children have access to a variety of opportunities within their community & schools.	8/26/2022 10:44 AM

649	The quiet. I enjoy that I have neighbors but we aren't too close and there aren't too many.	8/26/2022 10:31 AM
650	Excellent school district. Close enough yet far enough from downtown Pittsburgh. Relatively safe community.	8/26/2022 10:22 AM
651	The schools and youth activities are amazing as well as the safety of the area and sense of community.	8/26/2022 10:21 AM
652	We have such a great community with lots of families. What we do need is recreation center or a public pool. maybe make something at the old high school area.	8/26/2022 10:21 AM
653	I grew up here in a wonderful neighborhood with plenty of friends and went to great schools here. Still good friends with school buddies. Can't think of my favorite thing. Jefferson Hills is a great place to live!!	8/26/2022 10:20 AM
654	The nature. It's gorgeous. The local government not so much! Elections are popularity contests not who is best qualified. It's ridiculous and wrong. It shows in the governance too.	8/26/2022 10:15 AM
655	Go elsewhere- Alleg. ct. taxes are too high.	8/26/2022 10:12 AM
656	It's a great mix of rural and city living, there is much to do for families with park and activity access, and having the quality hospital right near us is very reassuring.	8/26/2022 10:11 AM

668	Good school and good location (at least where I live)	8/26/2022 9:19 AM
669	It's a great community to raise kids. But, too many homes being built and not a king away all the wooded land.	8/26/2022 9:16 AM
670	Quiet close community. Good schools.	8/26/2022 9:13 AM
671	School district	8/26/2022 9:12 AM

674	The safe community and school district.	8/26/2022 9:00 AM
675	Convenient location	8/26/2022 8:58 AM
676	My grandma has lived in Jefferson Hills for over 30 years. When I was growing up I always said I wanted to live on Gill Hall rd. It was so quiet and serene. I do live on the road now, not so much quiet and serene as it once was. I still love the area, but what has drawn me here no longer exists. The area is becoming quite busy and constantly huge truck and semis go through here. Yet, I still love the school district for my kiddos and the convenience of shopping. I would probably recommend the area only for the school district though.	8/26/2022 8:58 AM
677	Nice people, great schools, and safe place to live	8/26/2022 8:56 AM
678	Jefferson Hill is a little gem. Great school district with all its school within a small radius. One of the few boroughs with multiple parks within the area. Close proximity to shopping and dining.	8/26/2022 8:54 AM
679	It is where my grandparents, my parents and myself grew up and where I chose to raise my family here as well. Needs to be more diverse.	8/26/2022 8:50 AM
680	I love that there are homes surrounded by wooded areas. However, with all of the developments going in those areas are becoming sparse.	8/26/2022 8:50 AM
681	While both my kids have graduated I would say the school. Especially PHMS.	8/26/2022 8:46 AM
682	Great location within the region, great schools, decent amenities nearby	8/26/2022 8:39 AM
683	Jefferson Hills has great schools and youth sports leagues, but we really need a rec center and a public park/green-space. Most communities in this area have these things and we do not.	8/26/2022 8:39 AM
684	My favorite thing used to be the quiet, wooded areas. But now that there is a housing plan in pretty much every open area there is, that was ruined.	8/26/2022 8:38 AM

699	Good school district. Safe	8/23/2022 11:13 PM
700	An excellent school district.	8/23/2022 8:07 PM
701	I would tell them not to locate here, because all the people moving in has causw most the wooded area to be torn down for houses and taxes to rise	8/23/2022 8:03 PM
702	It used to be the rural like feel, safe place to live and raise a family with good schools. Wouldn't recommend with all of the poor quality house being built in the plans. There are municipalities where Ryan and maronda homes aren't allowed to build due to their poor quality.	8/23/2022 7:49 PM
703	It's not a bad place to live.	8/23/2022 7:45 PM
704	Location	8/20/2022 11:17 AM
705	The school district is phenomenal and has everything imaginable to offer our children today compared to other neighboring school districts that have very few to no extra curricular activities offered not to mention our children receive top notch education	8/20/2022 1:39 AM
706	Nice community, good schools	8/18/2022 7:35 PM
707	I moved to Jefferson hills because I loved the house and the acreage on the property. I liked that we weren't close to the city but weren't to far. I do not like that there is nothing to do for kids here. There is no community pool or Rec center. The park facilities are ok but should be much better for the area we live in. Most mementoes growing up were at community night swims where you would see 25 friends with out there parents all planning a play date. Even community day, which is still nice and am glad it was brought back, is only 1 day and we don't even have a parade. More businesses need need to come in. A better variety of stores would be great as well. But my first and biggest hope is that we will get a community pool and Rec center.	8/17/2022 7:11 PM
708	Good school district	8/17/2022 9:56 AM
709	Schools and activities for kids. Safe	8/17/2022 9:55 AM
710	Living with lots of wooded areas. Hearing all the sounds of nature. I'm not an old person, just need peace.	8/16/2022 7:45 PM
711	I enjoy keeping it a small community and opportunities for kids like the summer rec program. Keep our education ratings high.	8/16/2022 1:23 PM
712	I love the closeness of the community. I feel safe when I close my door at night.	8/16/2022 9:15 AM
713	Location and the amount of green space (which is dwindling rapidly)	8/15/2022 7:49 PM
714	Much has changed over the last 30 years since I moved here but i would tell someone that the general area/location is great, my kids got a great education but hope you like to drive a bit to shop for just about everything.	8/13/2022 8:08 PM
715	I love The community but we need more shops, restaurants and things to do in the community. I would Love a pool!!!!	8/12/2022 8:59 PM

## Jefferson Hills Community Questionnaire

716	My home is in a safe neighborhood.	8/12/2022 4:42 PM
717	One of the best school districts, with the best police and fire departments, decent ambulance service, quiet residential areas with low crime and nice parks. Lots of green/wooded areas between most residential areas and louder main roads.	8/12/2022 3:23 PM
718	It's always been a nice community with a better than average School System	8/12/2022 10:51 AM
719	It used to be the rural ness close to the city but now it's just overrun with new homes and the schools are over crowded. I wouldn't recommend anyone I know to move here now.	8/11/2022 10:31 PM
720	Great neighborhoods, and neighbors.	8/11/2022 8:14 PM
721	Quiet, great schools, family centered, safe	8/11/2022 2:43 PM
722	The beauty of the community and the safety of the community	8/11/2022 11:26 AM
723	We have nothing for the taxes we pay so I really couldn't tell someone to live here.	8/11/2022 9:34 AM
724	It's a great place to raise your kids	8/11/2022 9:32 AM
725	It's a very beautiful community in a convenient location to Pittsburgh. I don't have to go far to shop, for entertainment, or for parks and libraries.	8/11/2022 9:17 AM
726	The sense of community and the local youth programs.	8/11/2022 8:53 AM
727	Country setting city conveniences	8/11/2022 8:52 AM
728	At this point I am not sure if I can 100% tell friends or family to move here. Our taxes are outrageous, we have more homes being built that is has taken away from the beauty of our land that once was. To me it seems that our boro wants more homes than businesses and that is not good. I have lived in this community since 1978 and I have seen many changes, some not for the best interest of its residences. I see what of neighboring communities do and we are well behind.	8/11/2022 8:32 AM
729	Small size of the community	8/11/2022 7:59 AM
730	N/a	8/11/2022 6:52 AM
731	Safety-police services, community	8/10/2022 9:36 PM
732	Close to 51 and even Pittsburgh but still not too busy, close to stores and restaurants and good school district.	8/10/2022 9:11 PM
733	We need a community pool!	8/10/2022 8:33 PM
734	I like that it almost feels like the country, but we're still very close to the city.	8/10/2022 6:16 PM
735	Location	8/10/2022 6:04 PM
736	Green spaces	8/10/2022 3:50 PM
737	Fantastic school district.	8/10/2022 3:30 PM
738	We have lived here for 45 years to this area because it was quite country setting but, yet close to everything. With all the growth around us it is no more and taxes have pushed seniors to not afford living here.	8/10/2022 3:29 PM
739	The area is clean and safe. It's has a main artery of transportation (which could be better connected- but not our issue) and has the quietness of the suburbs with the woods.	8/10/2022 3:22 PM
740	Schools	8/10/2022 2:51 PM
741	Sense of community pride and quality of schools.	8/10/2022 2:34 PM
742	Jefferson Hills was considered a "well kept secret" many years ago. It's still a very safe borough with wonderful schools, a great police department, & a close knit family vibe. What IS lacking is shopping!!! We don't have the shops, restaurants, & movie theaters that other boroughs or townships have. I would also like to see a town square type of area where people can gather to shop, eat, listen to small bands, perhaps have children activities on holidays. Rather than have huge corporations such as UPMC trying to build an atrocious hospital in the	8/10/2022 2:34 PM

middle of a neighborhood, perhaps the borough would consider something the community actually needs & wants!!!!!!

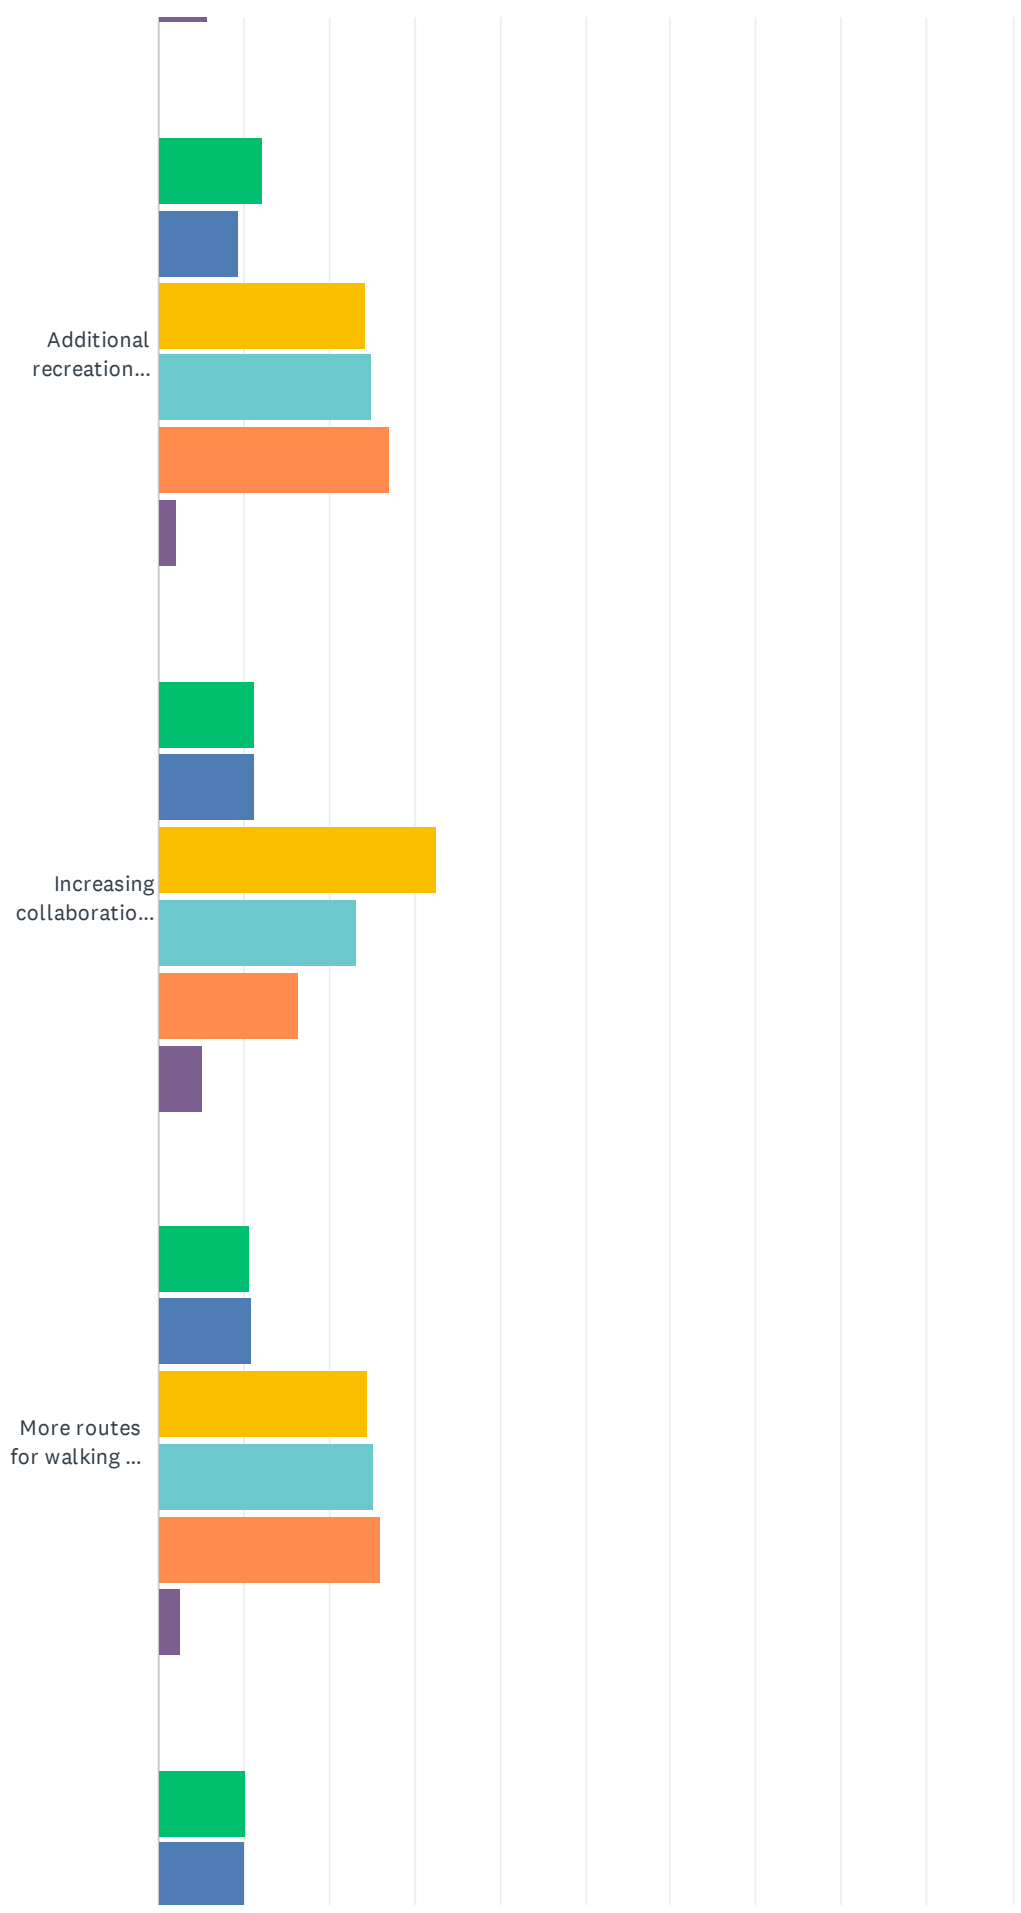

743	Excellent school district	8/10/2022 2:20 PM
744	Safe community and good schools.	8/10/2022 2:16 PM
745	It has a fair amount of green and keeps the feel of a small town with no big business hovering over it and yet Jefferson Hills is only minutes from anything that you would need or want.	8/10/2022 1:57 PM
746	Roads playgrounds and schools well taken care of. You can see your tax dollars put to work.	8/10/2022 1:54 PM
747	Quality of the school district.	8/10/2022 1:33 PM
748	Location, close to all shops.	8/10/2022 1:29 PM
749	Great place to raise family!	8/10/2022 12:54 PM
750	It's a safe, clean area to live with a great school district.	8/10/2022 12:54 PM
751	Great schools and a close community that everyone knows their neighbors. I wish we had more shopping available I hate driving to south hills village mall to buy clothes for my kids. We need more recreation too.	8/10/2022 12:28 PM
752	Safety, schools	8/10/2022 12:04 PM
753	Tight knit community that feels like family	8/10/2022 11:59 AM
754	School district, the wooded/beautiful environment.	8/10/2022 11:39 AM
755	Stop allowing these housing developments to be built. Think about the amount of students already in the district the wildlife we are running out and the face we are loosing any wooded areas we had	8/10/2022 11:26 AM
756	Great sense of community	8/2/2022 6:44 PM
757	I loved growing up here and having woods to play in but still having neighbors. Unfortunately Jefferson now is much different with all the new housing being built and taking away nature. I honestly do like this community and the people in it and how willing they are to help each other.	8/1/2022 7:30 PM
758	Safety, family values upheld in schools (minimal LBGT and CRT) and low taxes.	8/1/2022 2:45 PM
759	I'm a lifelong resident with a large family that most still live in the community or close by. The area has great schools and most homes are well maintained.	8/1/2022 2:25 PM
760	Family friendly community with an excellent school district and a lot of extracurricular activities for children... parks are nice but they do need improvements and the council is finally getting their act together... the police department is also exceptional and highly professional...	8/1/2022 2:18 PM
761	It was all the wooded areas & wildlife but that's being destroyed with more in-needed Housing Plans. Soon there will be no more. We plan on moving if it continues.	8/1/2022 12:52 PM
762	Fantastic emergency services with JHPD, JHFR, and SEREMS	8/1/2022 12:35 PM
763	Its a safe community with quality schools.	8/1/2022 12:31 PM
764	These are the reasons I'm in Jefferson hills, my parents are in westmifflin and if ALL OF these things weren't important, I would pay lower taxes elsewhere. Westmifflin doesn't even have a library and since my parents moved me here from Ligonier (who has one of the nicest libraries in the state of Pa) I was in severe culture shock. Jefferson offers some comfort.	8/1/2022 12:15 PM
765	It's a close knit community and a lot of school spirit and support for the kids.	8/1/2022 8:54 AM
766	excellent schools	7/28/2022 1:16 PM
767	Safe area with a decent school district (use to be better rated). Conveniently located to the city, friends and family. Would definitely like to see more small businesses and dining added to the area.	7/26/2022 4:07 PM
768	Safety Clean environment	7/20/2022 9:06 AM

1	More small business would be nice	1/2/2023 11:10 AM
2	We need to have some business in the community.	12/31/2022 1:45 PM
3	Add office park/retail department near Gill Hall, Old Clairton, 885	12/31/2022 1:22 PM
4	With exception of UPMC hospital	12/31/2022 1:18 PM
5	There needs to be some more business development to help offset the tax burden from residents. This has to be balanced with maintaining green space and public safety.	12/31/2022 11:12 AM
6	Yes, but we need to attract businesses to help maintain a strong tax base.	12/29/2022 1:21 PM
7	Stop building. Fix century 3 and clean up the streets. Where is the forest land the arboretum ????	12/29/2022 11:21 AM
8	Yes, As long as all residents are taxpayers	12/27/2022 11:29 PM
9	Yes but improve quality of housing development (Hunters Field is terrible...too many cheap ugly looking houses with way too much siding). Also we need more quality, upper scale senior housing opportunities.	12/27/2022 7:05 PM
10	Need businesses to support taxes and convenience	12/27/2022 6:42 PM
11	Yes, but would like more restaurants and stores	12/26/2022 9:34 PM
12	Yes, but we can still develop the Rte 51 corridor.	12/26/2022 4:18 PM

## Jefferson Hills Community Questionnaire

13	we are outgrowing our hospital/we need additional shopping area	12/26/2022 2:40 PM
14	YES, we as a borough should remain primarily residential, BUT slow down residential development.	12/26/2022 8:35 AM
15	i think we can achieve a balance	12/25/2022 10:45 AM
16	What the heck is that supposed to mean?	12/24/2022 10:39 AM
17	We need a mix of business along with residential. However, the implementation has to be done properly so it does not fail, or be a burden on taxpayers.	12/23/2022 12:56 PM
18	Smaller neighborhoods with trees. Not clearing all the trees and putting McMansions in	12/23/2022 12:18 PM
19	Well balanced mixture of small business, green space, and single family living	12/23/2022 10:37 AM
20	51 corridor light industry	12/23/2022 7:40 AM
21	The options in #6 are to limited. This is not a fair survey.	12/22/2022 9:49 PM
22	Anything to lower taxes	12/22/2022 8:03 PM
23	We don't need more homes. We need more businesses for the hundreds of new homes built	12/22/2022 4:47 PM
24	The primary draw for many is that JH is a largely residential suburban area that has (at least historically) been well integrated and adjacent to natural areas such as woods. However, additional, focused areas for retail and restaurant development could help provide the Borough and its residents enhanced options (like uptown Mt Lebanon) and could also help the Bourough economically.	12/22/2022 4:31 PM
25	In my opinion people LEAVE over developed areas	12/22/2022 12:30 PM
26	Don't destroy the ambiance that got people to move here in the first place. Overcrowding must be avoided	12/22/2022 12:25 PM
27	It needs to bring in more businesses but I like that it's not an over developed area	12/22/2022 12:03 PM
28	Do not continue to build houses -- keep the farm land and green space	12/22/2022 11:12 AM
29	yes and no. We need businesses to help hold taxes. Can not just rely on residents to be the tax base.	12/22/2022 10:26 AM
30	I dont think it can. We have to progress, but business revenue is going to provide more to the community than the single family homes.	12/22/2022 10:18 AM
31	Care must be taken to not overburden the school system	12/22/2022 9:50 AM
32	Absolutely!!	12/22/2022 9:49 AM
33	Remain primarily residential but not be closed to new and different ideas.	12/22/2022 6:57 AM
34	I don't know what that means. Multiple choice with a percentage and a question that states the current percentage would be more beneficial	12/21/2022 11:50 PM
35	I think retail places are good as well. All these residents need places to shop as well! I'm really tired of driving all the way to Bethel Park	12/21/2022 10:50 PM
36	Single family homes with one family per home. Too many houses in the neighborhood with multiple families under one roof. This is not fair to tax payers.	12/21/2022 8:42 PM
37	I don't think it is a yes/no question. I think there is a middle ground with the right mix/type of businesses which allow for keeping the residential identity while giving residents some amenities and generating additional tax revenue.	12/21/2022 8:07 PM
38	Indifferent	12/21/2022 5:51 PM
39	Need to have one level living for seniors to stay in community they live	12/21/2022 5:24 PM

45	I don't know don't want hospital off old Clairton too close to my home	12/21/2022 9:09 AM

57	It is not one now and it should not be	10/8/2022 8:55 PM
58	I think businesses in the appropriate areas	10/8/2022 5:39 PM
59	There is no place for industrial, fracking, oil and gas drilling in this community	9/28/2022 3:06 PM
60	we need more small businesses.	9/20/2022 4:58 PM
61	If it does taxes will be high and only the wealthy can stay rather than having a diverse population.	9/19/2022 3:08 PM
62	Yes. But open to new businesses that can bring job opportunity or services that are needed.	9/19/2022 2:10 PM
63	I think the 51 corridor needs built up with more retail and businesses	9/18/2022 6:10 PM
64	With clusters of retail/restaurants on old clairton	9/18/2022 5:56 PM
65	We need businesses because there is less and less retail options and there needs to be other tax revenue	9/15/2022 11:14 PM
66	Depends on how the commercial aspects are sprinkled in	9/15/2022 6:20 PM

68	More business means more tax revenue	9/14/2022 1:53 AM
69	Unsure	9/14/2022 12:41 AM
70	Small town where you don't need to leave the area for necessities and recreation	9/13/2022 10:06 PM
71	That's what I like about it.	9/13/2022 3:30 PM
72	Needs more of a mix with retail / commercial businesses	9/12/2022 2:44 PM
73	I believe the community should be primarily residential, but there is a lot of room for development of businesses large and small	9/8/2022 9:03 PM
74	some business growth would help	9/6/2022 1:12 PM
75	We were not built as a town with a central business area and should therefore limit the number of businesses in our community. We are right next to Pleasant Hills and West Mifflin. We also	9/5/2022 8:35 PM

76	Mix	9/5/2022 10:37 AM
77	Jefferson Hills was once rural. That beauty is quickly being a thing of the past. There are many old families here that don't appreciate their community being destroyed.	9/5/2022 6:32 AM
78	Having lived in Irvine, CA I feel Jefferson Hills can benefit by having easier access to local businesses for the corners of Jefferson Hills, you need a balance so you're not driving far for goods/services.	9/4/2022 10:10 AM
79	I think the commercial aspect should be utilized better and built uniformly. Not just ugly buildings	9/3/2022 2:25 PM
80	I would love to see a strong small business community like mt. Lebanon hill hat still maintains great residential space	9/3/2022 12:37 PM
81	With correct planning yes	9/1/2022 8:15 PM
82	A mix of affordable living and working spaces would be really beneficial	9/1/2022 1:23 PM
83	Yes, but more businesses is not bad	8/30/2022 10:18 PM
84	Slightly Larger % of taxable business	8/29/2022 12:41 PM
85	Some zones should be out there for commercial use but little away and separate from residential area	8/28/2022 11:25 PM
86	No section 8 housing. Ever	8/28/2022 7:47 PM
87	No many houses, what about schools? You need more small business/restaurants	8/28/2022 6:45 PM
88	Yes, but we also need to provide more recreation and services for the local residents.	8/28/2022 6:36 PM
89	This borough is big enough to wisely support both	8/28/2022 11:24 AM
90	More housing ok but add businesses too	8/28/2022 8:21 AM
91	We need some smaller businesses to move in	8/28/2022 7:06 AM
92	Yes, but with a Main Street type of feel/section that I don't think we have now	8/27/2022 11:39 PM
93	Re-develop and centralize development	8/27/2022 9:40 PM
94	I don't think it has to stay a bedroom community, but the business areas that are added should be quaint and fit our community. No strip malls, industrial parks, etc.	8/27/2022 8:14 PM
95	Yes and no. I would not want to see areas cleared out for new business. Minor development is fine. I think areas that are already business and industrial can be redeveloped. This could help lower the tax burden on residents.	8/27/2022 5:49 PM
96	Ruined that though with a new housing plan everywhere you turn	8/27/2022 1:34 PM
97	We need more relevant retail and restaurant opportunities!	8/27/2022 12:39 PM
98	Attract more businesses, please	8/27/2022 12:14 PM

102	The 51 corridor needs more business	8/27/2022 7:51 AM
103	I think it can be a healthy balance of both	8/27/2022 7:28 AM

105	Housing alone can't support borough and school districts appropriately	8/26/2022 11:09 PM
106	The community has no real central hub. Most restaurants/retail exist outside of the community. More community hub facilities must be established (rec center, restaurants, coffee shop, etc)	8/26/2022 10:09 PM

121	I think it should stay as is with no other housing because we are at capacity but increase the amount of local shopping options to increase the community feel	8/26/2022 12:34 PM
122	No, too much already with lack of Greenways	8/26/2022 12:27 PM
123	For the most part yes, but with small commercial areas focused on independent, locally owned businesses, like coffee or ice cream shops	8/26/2022 12:08 PM

125	Time to get more businesses in Jefferson	8/26/2022 10:42 AM
126	There are spaces where we could put businesses without knocking down more trees to do so	8/26/2022 10:24 AM
127	More shopping and restaurants	8/26/2022 9:46 AM
128	I think we should remain mostly residential but utilize the space down on 51 for some stores or something.	8/26/2022 9:18 AM
129	We do need businesses and options on 51	8/26/2022 9:17 AM
130	In theory sure, but business development in certain areas is a must	8/26/2022 8:54 AM

137	Get businesses	8/22/2022 1:07 PM
138	Single family. That is an issue. Code Enforcement officer should be fired for not checking on all of the families who are not single family they are a drain on our community. Good people hard-working people but it's not fair what it does to the community and the school district	8/16/2022 7:49 PM
139	We need more shopping, nicer places to convene	8/12/2022 9:05 PM
140	Yes, but add more retail and restaurant options	8/11/2022 11:31 AM

## Jefferson Hills Community Questionnaire

141	There should be other options, we should not have to drive 20 minutes to go to the grocery store	8/11/2022 6:58 AM
142	Tax revenue from businesses would be helpful to accomplish some of these goals	8/10/2022 9:29 PM
143	I think we need to protect the green space that we have.	8/10/2022 6:12 PM
144	NO UPMC in our borough!!!!	8/10/2022 2:42 PM
145	SAY YES TO UPMC. Not everyone in this community has Highmark. AND that is who is paying for the charge to say NO to UPMC. There are a handful of residents that are adamantly against UPMC coming into the community; but most of the people I talk to welcome the choice. UPMC is the premier healthcare provider in this city; we would be dumb not to have them build their hospital. They love having their name on everything... get them to pay for the demolition and building of a new rec center. I know that sounds simplistic but its possible. AND Yes I work for UPMC (non hospital) but I say this as a resident not an employee. I have pretty severe medical conditions that require me to be hospitalized. I have to go to Shadyside Hospital for treatment. That is ridiculous. You approve the hospital and more businesses will want to set up shop and more people will fill all of those housing plans you have built.	8/10/2022 2:40 PM
146	Non industrial business like stores and restaurants	8/10/2022 12:31 PM
147	Yes, but there needs to be some business revenue	8/10/2022 11:43 AM
148	Stop building houses!!!!	8/10/2022 11:31 AM
149	Can do so while bringing business	8/1/2022 2:49 PM
150	No one will be able to continue paying taxes without additional business support.	8/1/2022 2:35 PM
151	Need business along 51/885/837/ old clairton rd where possible	8/1/2022 12:48 PM
152	Yes, but it desperately needs more small shopping and dining	7/26/2022 4:19 PM

	there are residents that still use well water.	
10	The gas companies would build a community center if council negotiated	12/29/2022 8:45 AM
11	Boro could allow fracking on Boro owned land and use profits to lower Boro taxes.	12/29/2022 8:31 AM
12	Fracking is safe and provides much needed natural resources before our world transitions to renewable energy, which won't happen as fast as the current push before we dwindle off of fossil fuels.	12/28/2022 11:20 AM
13	Especially control distance from residential housing.	12/27/2022 7:05 PM

17	I do not know enough about this to make a suggestion.	12/26/2022 12:55 PM
18	oil and gas development is only short term. All wells eventually run out, leaving an abandoned area within the boro, which will be an eyesore to residents and visitors	12/26/2022 8:35 AM
19	No. None. Forbid it.	12/24/2022 2:13 PM
20	Totally against fracking!	12/24/2022 12:00 PM
21	Do you want to frack or build homes, I don't think they mix	12/23/2022 6:45 PM
22	not appropriate for jefferson hills	12/23/2022 4:43 PM
23	This must be done properly with strict oversight and controls. There should also be severe penalties for failure to follow regulations and for not taking into consideration any issues that could go wrong.	12/23/2022 12:56 PM
24	Let these companies pay for improvements. Many other communities have taken advantage of this!! Why shouldn't we!!!! Why burden the tax payers when we have this at our hands!	12/23/2022 12:18 PM
25	Energy independence is vital and fracking is a part but it should be strictly controlled to prevent unintended consequences. Wind and solar will eliminate much green space and the long term environmental impacts of them are grossly understated	12/23/2022 11:48 AM
26	No fracking in industrial or residential areas due to endless ramifications and effects on residences property and quality of life.	12/23/2022 10:37 AM
27	Absolutely not. I think you will see a serious decline in overall property value, and a mass exodus of people of fracking comes to Jefferson. Look at what's become of West Mifflin over the last 20-30 years. (Not due to fracking but other preventable issues) Is that what you want Jefferson to become? Abandoned buildings and dilapidated houses because no one wants to live there?	12/22/2022 11:28 PM
28	Major issues are erosion and sediment control/dust control. Few in the borough have well water supplies that MIGHT be influenced by well development.	12/22/2022 8:27 PM
29	I am vehemently against fracking in JH.	12/22/2022 6:39 PM
30	No fracking!	12/22/2022 4:55 PM
31	I do not know enough about the detrimental environmental issues associated with fracking.	12/22/2022 12:25 PM
32	Allowing oil and gas development would undermine real estate values plus place the township at economic risk from unanticipated consequences.	12/22/2022 1:33 AM
33	I believe there are lots of improvements to be made. I do believe most should be done around the brand new school and include kids activities. People want to raise their kids here. Everything should be done with children in mind! This is the most important thing when people want to move here. Give their kids something to do. Make this community the best place to raise your children. I feel like when I moved here more things were offered and gradually everything went away. This is a big area and things should happen right in the middle somewhere. I do think school involvement should collaborate with the borough on ways to improve things for the children because this is why people move to Jefferson Hills. I wish you	12/21/2022 10:50 PM

## Jefferson Hills Community Questionnaire

guys would understand this! People only really move here to raise their kids. Yes I would love if my child could find a job around here but not enough businesses therefore he will probably be moving after graduation. Nothing I can do about it at this point. Anyway you really need to work your plans around the kids cause this is what most of the people care about. Collaborate with the school cause they probably know what is needed the most!

34	No thanks franking	12/21/2022 9:53 PM
35	Absolutely no drilling!!!	12/21/2022 8:47 PM
36	We need to keep our area free of this!	12/21/2022 7:57 PM
37	This is a residential community, please keep it that way.	12/21/2022 7:22 PM
38	Fracking causes unacceptable water quality issues if it not rigorously monitored and controlled.	12/21/2022 6:14 PM
39	Concerns about ground movement, mine subsidence and related issues	12/21/2022 5:44 PM
40	Allow residents to have chickens,geese,etc.. for eggs to feed their families. Allow goats for grass eating. Would cut down on gas and electric powered lawn mowers helping the environment.	12/21/2022 5:15 PM
41	The US needs fossil fuels for the foreseeable future, electric and fusion sources are not yet easily affordable and readily available.	12/21/2022 1:19 PM
42	Heath issues it can cause	12/21/2022 9:09 AM
43	They would need to drill close to homes and fracking water and large trucks would not be supported or safe on the infrastructure.	12/21/2022 7:36 AM
44	There is too much risk for single family homes and schools. Land area is small and cannot handle the trucks!	12/18/2022 3:02 PM
45	We pay very high taxes. Younger families want a community center and a community pool. All districts surrounding us has at least one of those.	11/5/2022 10:40 PM
46	Fracking has the potential to contaminate our groundwater, and it most certainly would lead to noise and significant truck traffic. Other communities in Pennsylvania have been severely negatively impacted by fracking. There is no reason to risk harm to our community's health and our environment, particularly considering that residents here already face frequent exposure to particulate emissions from the Clairton Coke Works. Allowing fracking would absolutely lower our property values and make Jefferson Hills a much less desirable place to live. We never would have moved here if we thought fracking would take place in this community.	11/2/2022 2:52 PM
47	I'm concerned with other infrastructure challenges with shale gas development (truck traffic etc)	10/29/2022 7:48 PM
48	NO! We already have to deal with the pollution, the bad odor, the fallout, and the health problems of Clairton Coke Works. No more environmental risk!	10/16/2022 11:25 AM
49	Extremely unsafe	10/9/2022 7:06 AM
50	No more development. Enough traffic. Cut down far too many trees, losing air quality. New plastic homes are an eyesore	9/29/2022 10:06 AM
51	Fracking ramifications for communities is way beyond any benefits for the community and the health of it's members!	9/28/2022 4:01 PM
52	Fracking would wreck our water table and destabilize ground that's already been mined. It is a very bad idea for Jefferson Hills and would ruin our property values.	9/21/2022 11:42 PM
53	Ok with it as long as the money it is bringing in is spent wisely.	9/21/2022 2:00 AM
54	Shouldn't be done at all in this community	9/20/2022 4:16 PM
55	Our community is already blighted by poor air quality. Fracking would also detract from the appeal of our community.	9/18/2022 5:56 PM
56	Cancer clusters are real. Poisoning of water is real. Please protect our land, air and water for our children and future grandchildren.	9/14/2022 1:53 AM

## Jefferson Hills Community Questionnaire

57	Even done in only an industrial site it does impact local water supplies, runoff and in all directions miles from the well site.	9/11/2022 8:11 AM
58	should not be permitted within .5 miles of residential areas	9/10/2022 6:11 PM
59	Drilling for natural gas can be done safely, surrounding counties have done it safely. The oil and gas companies have helped develop infrastructure in those communities. The farms that have wells on them are still able to thrive and have improved their properties with the revenue. We should be working with those companies to utilize the potential for resources that are necessary to power just about everything we use day to day.	9/8/2022 9:03 PM
60	Keep oil and gas out of here.	9/8/2022 4:21 PM
61	I don't want our community to have large trucks driving through our residential areas.	9/8/2022 9:52 AM
62	Previous Council had the stones to deal with proposed gas wells. Current members are radicalized against fracking and adding another hospital.	9/8/2022 5:32 AM
63	Should not be totally banned. Clairton Coke Works is a bigger problem than fracking will ever be.	9/7/2022 10:02 AM
64	if elementary school can have access to natural gas at their driveway, why shouldn't it be available anywhere else?	9/6/2022 1:12 PM
65	There have been increased earthquakes in areas of fracking. Take a hint from mother nature.... It's bad for the earth	9/5/2022 2:57 PM
66	Fracking isn't safe for residential communities. The borough should fight and support keeping fracking as distant as possible to its residents.	9/5/2022 1:58 PM
67	With all the building, the open areas are quickly being a thing of the past. Why destroy the entire boro?	9/5/2022 6:32 AM
68	Concerned how fracking would impact home values...and especially concerned if allowed close to schools.	9/4/2022 4:24 PM
69	This choice was closest to my thoughts, fracking isn't a horrible way to oil/gas development if it is done wisely and in accordance with regulations. Our borough is large enough that it doesn't have to be where people hold concerns for health.	9/4/2022 10:10 AM
70	No fracking!!!	9/3/2022 2:30 PM
71	Absolutely NO fracking!	9/3/2022 2:07 PM
72	Please no fracking in residential areas and near schools. It would ruin the look of our beautiful community.	9/3/2022 12:37 PM
73	Fracking is not an unconventional means of extracting oil and gas. Fracking has been safely used since 1947!	9/2/2022 4:50 PM
74	I would like to see Jefferson Hills push for 1) better air quality, 2) cleaner roadsides and 3) more public transit and sidewalks. I cannot enjoy the beautiful outdoors often because those three things hamper me on a daily basis.	9/1/2022 1:23 PM
75	Only under specific circumstances	9/1/2022 10:35 AM
76	We will move if fracking is permitted here, full stop	9/1/2022 10:22 AM
77	I think you mean properties above?? Land owners who do not want to sell out and have more houses built should not be stopped from profiting off their land as long as regulations are followed. I, by the way, do not own enough land for this to be an issue for me.	8/31/2022 3:29 PM
78	Doesn't this cause cancer in children? Can mac had a problem. Didn't we all fight this	8/31/2022 1:21 PM
79	Jefferson Hills is too small for this type of industry. 20 years ago when there was a lot more farmland, it would have worked.	8/30/2022 9:02 PM
80	Unequivocally NO!!!!!!!!!!!!!!	8/30/2022 5:10 PM
81	I would be very inclined to move out of the area if fracking was within a close proximity to my neighborhood.	8/29/2022 10:05 PM

## Jefferson Hills Community Questionnaire

82	There are too many unknowns with the byproducts of fracking to be near so many residents in our growing community	8/29/2022 7:01 PM
83	Never very unhealthy for our children and community	8/29/2022 6:58 AM
84	To protect environment and water , air quality and our health this activity should be banned in Jefferson Hills	8/28/2022 11:25 PM
85	Aslong as the \$ lowers our taxes and property taxes for allowing the drilling	8/28/2022 7:47 PM
86	NO FRACKING!!! This is NOT appropriate at this location. It is too populated.	8/28/2022 4:19 PM
87	We will move if fracking is allowed	8/28/2022 11:30 AM
88	I don't know enough about this subject, but, I strongly support fracking in PA. Depending on where this development would occur in JH, I would then answer option 2 or 3 above.	8/28/2022 11:24 AM
89	The heavy industrial activity associated with developing a multi well pad for unconventional oil and gas development is inappropriate for our community and increases risks of land instability for existing home and business owners, and our schools and municipal building.	8/27/2022 10:16 PM
90	I've been to well sites with my old job. Nothing good about them at all. They will ruin the Aquifer	8/27/2022 7:48 PM
91	Should not be done in any area near homes and or schools	8/27/2022 7:29 PM
92	No gas/oil!!	8/27/2022 4:57 PM
93	Too many long-term potential dangers	8/27/2022 3:59 PM
94	Too May studies show kids getting sick from wells	8/27/2022 3:31 PM
95	Fracking needs to be tightly regulated to avoid negative impact on residential areas, including impacts from increased traffic. But it is too important to completely ban. However, with the number of residential areas in this community, it may be impossible to build new well heads, so priority should be given to consider options such as horizontal drilling to access resources within the community from both the few areas available here and from sites outside the Borough.	8/27/2022 11:49 AM
96	I don't know enough about it to make an informed decision	8/27/2022 7:54 AM
97	Single family homes should ONLY contain SINGLE FAMILIES! 15 people should not live in one single family home.	8/27/2022 7:12 AM
98	Should be where there is NO COMMUNITY Farmland in the middle of no where!! Not behind TJHS or any bodies home to make a buck	8/26/2022 7:41 PM
99	Hard to stay the number one place to raise a family in PA, if we start fracking in/near residential areas.	8/26/2022 7:27 PM
100	Build the UPMC hospital. Look at what it's done for Lawrenceville	8/26/2022 7:16 PM
101	In the rural parts of the boro, ie farm land, it is acceptable, but not in highly populated areas.	8/26/2022 6:40 PM
102	Stop building homes!!!! We need better educational, recreational, and light business facilities.	8/26/2022 4:17 PM
103	Fracking is not safe for water sources and should not happen here.	8/26/2022 3:37 PM
104	It should not be permitted, ever, in bed room residential communities.	8/26/2022 3:33 PM
105	I think it is inappropriate at all but know it is currently taking place and should be kept at a minimum	8/26/2022 12:34 PM
106	Observing regulations	8/26/2022 10:31 AM
107	Bo drilling in out community at all. why destroy it. too many contamination risks	8/26/2022 10:25 AM
108	If the Borough permits this activity We will sell our home and relocate. This is another example of the back and forth all based on politics	8/26/2022 9:35 AM
109	Really? Are we here again? No fracking! I just don't understand why people can't get the fact that it is not safe! I don't want it anywhere near my home, my kids school or community.	8/26/2022 9:33 AM

122	High risk of water contamination and property damage and risk of earthquake	8/11/2022 8:09 AM
123	It is dangerous. It has the potential for money but also a very large potential to cause environmental problems and possibly financial problems for the area It's just not worth it	8/10/2022 3:32 PM
124	The sport facilities need to be vastly improved with the huge increase in tax revenue. The fields in this area are an embarrassment. Just because it's not football doesn't mean it shouldn't be a priority. The former high school needs to be dealt with. At the very least, the property needs to be tended. Especially since other districts are visiting for all activities on the football field.	8/10/2022 1:40 PM
125	It's safe stop thinking it's so bad go actually talk to people who work on the pads, and in the field to see how safe it actually is (it's also facing not fracking)	8/10/2022 11:31 AM
126	With proper ordinances these activities and be performed safely and without an environmental impact. Ordinances also need to be enforced. These companies will help Supplement recreational development and other community projects.	8/1/2022 2:35 PM

6	Will have ongoing costs indefinitely	12/31/2022 1:22 PM
7	Retrofit the old TJ High School as a community center. The school district should donate the land and the property to the borough. The borough could charge the school district for the use of the sports fields and locker rooms.	12/31/2022 11:17 AM
8	need more details about what that really is	12/31/2022 10:28 AM

## Jefferson Hills Community Questionnaire

9	Very impressed by neighboring community centers	12/30/2022 6:17 PM
10	Community Centers are outdated at this point. It seems like a lot of money that will not draw many. Only place this could possibly work is old TJ school on Old Clairton.	12/30/2022 5:56 PM
11	not necessary	12/30/2022 3:51 PM
12	It depends on where and the facilities contained within the community center	12/29/2022 4:32 PM
13	Dog park	12/29/2022 4:04 PM
14	If they put in pool, Pickleball Courts, Racquetball Courts for seniors to use. Charge non residents to use and enforcement of rules.	12/29/2022 2:33 PM
15	Repurpose the old high school. Do not spend a fortune renovating it. Any asbestos concerns are encapsulated. It was good enough for students and should be sufficient to serve any community needs. Club Sports, Intramural Sports, CCAC Classes, Artisan Workshops, Senior Center	12/29/2022 11:36 AM
16	But wouldn't be against it	12/29/2022 8:37 AM

18	W/o tax increase	12/28/2022 3:21 PM
19	Pool, Ice Rink and Gym	12/27/2022 11:33 PM
20	This is totally unnecessary and a waste of money	12/27/2022 3:48 PM
21	we have buildings that could be utilized	12/27/2022 3:47 PM
22	My age would limit my use	12/27/2022 10:23 AM
23	with Pool	12/26/2022 2:54 PM
24	we should make better use of our school district facilities on weekends and in the summers	12/26/2022 8:38 AM
25	We have a beautiful library and high school. perhaps use of these spaces could be used to hold community center events.	12/25/2022 12:55 PM
26	Actively seek business that would help fund these types of centers for naming rights	12/24/2022 10:55 AM
27	only if affordable and won't increase taxes	12/23/2022 3:11 PM
28	Do not increase borough taxes to fund a community center.	12/23/2022 2:50 PM
29	I don't know if other municipalities that with community centers get adequate use of the facilities. Is it worth the expense? What would the facility be used for?	12/23/2022 1:11 PM
30	We are behind every other community	12/23/2022 11:16 AM
31	Great opportunity for the community to come together	12/23/2022 11:00 AM
32	Expensive amenity, only a few people miss it.	12/23/2022 10:57 AM
33	Yes!!!!	12/23/2022 10:37 AM
34	We don't need this. Move to the city if you need this.	12/22/2022 9:53 PM
35	Lower my taxes. Stop spending funds unnecessarily	12/22/2022 8:56 PM
36	Development of a community center would be a tax sink.	12/22/2022 8:30 PM
37	At no cost to tax payers!!	12/22/2022 8:03 PM
38	As I stated previously, this should be a priority. Swimming pool, hockey rink, and playground.	12/22/2022 4:36 PM
39	With indoor walking track	12/22/2022 4:31 PM
40	Can not keep up with the parks we have now. It would cost way to much, all the fancy stuff people would want.	12/22/2022 3:26 PM
41	A community center is good if there are enough community organizations to justify the expense.	12/22/2022 3:11 PM

## Jefferson Hills Community Questionnaire

42	As long as it is not paid for by the taxpayers. If done correctly, the members of the community center should bear the expense.	12/22/2022 2:31 PM
43	similar communities around us have these and they are beneficial	12/22/2022 2:25 PM
44	All those parks mentioned are fields for kids to play on for the most part a majority of the people wouldn't go there	12/22/2022 1:39 PM
45	waste of money	12/22/2022 1:21 PM
46	I do not feel my tax dollars should be spent for the building and yearly operational costs for a community center.	12/22/2022 1:11 PM
47	I would like to see plans/ideas for such a center	12/22/2022 12:29 PM
48	If you have places with activities for kids who are not into sports, it may keep them engaged more.	12/22/2022 12:07 PM
49	Pool!	12/22/2022 11:24 AM
50	Agree, but I do not want to see my taxes go up for this.	12/22/2022 11:15 AM
51	We already have so many under utilized resources. Put effort into what is already existing.	12/22/2022 10:20 AM
52	as long as taxes do not increase	12/22/2022 9:36 AM
53	Very much needed! Would even benefit the elderly and adults if done right	12/21/2022 11:13 PM
54	I would not want to see taxes go up to build this.	12/21/2022 8:43 PM
55	Agree - Pine township is a great example of a multi-purpose community center.	12/21/2022 8:17 PM
56	It would be a nice amenity to have, but I am too concerned about the cost and potential for future tax increases	12/21/2022 7:46 PM
57	Only if taxes are not raised to pay for it.	12/21/2022 6:18 PM
58	Please, please, please	12/21/2022 5:40 PM
59	Use the old high school for this	12/21/2022 5:27 PM
60	Pave the roads first. Someone's pet project	12/21/2022 5:22 PM
61	no we have a new high school can be used for that	12/21/2022 4:53 PM
62	We should not have to go to neighboring communities to use their recreation/community centers if we are truly the # 1 place to raise a family.	12/21/2022 4:40 PM
63	Yes, and one that is more centrally located	12/21/2022 3:15 PM
64	If it gives our teens a safe place to go to, to keep them out of trouble then yes	12/21/2022 1:08 PM
65	Join with pleasant hills. Develop old high school	12/21/2022 12:07 PM
66	Could cause too much traffic taxes higher ect la fitness and upper st Clair one is close by get them to offer discount to our community	12/21/2022 9:12 AM
67	This drives people away from moving here. Why would they move here when they could go to Bethel, Peter's, USC, basically ANY surrounding area because everywhere else has community centers.	12/18/2022 10:03 AM
68	What is being done with old TJ High School?	12/16/2022 11:39 AM
69	We had a "community recreation center" called Practice-T. Private business couldn't make a go of it, why would we throw tax dollars at it??	12/14/2022 4:56 PM
70	This is my number 1 need	12/2/2022 5:18 PM
71	Used to visit above parks but children are older & not in sports.	11/18/2022 5:45 PM
72	Absolutely!!!!	11/16/2022 7:19 PM
73	We need a year round multicenter gathering place	11/15/2022 8:54 PM

## Jefferson Hills Community Questionnaire

74	Community centers rarely break even and SO much more to add	11/8/2022 1:44 PM
75	The younger families in the district (and there are so many new young families) want a community center. We had to use the Peter's community center for our son's birthday party. We should have that here in TJ.	11/5/2022 10:45 PM
76	ABSOLUTELY!	10/30/2022 9:28 PM
77	If \$ is not an issue - absolutely. If \$ and future maintenance costs is an issue - proposals should be shown to the residents for deciding.	10/20/2022 2:06 PM
78	Please!!!	10/19/2022 8:43 AM
79	We need a recreation center, the school district is charging more to use their gyms.It is getting to expense to participate in travel basketball .	10/18/2022 1:25 PM
80	Would love a community center with Rec center, pool, etc	10/16/2022 5:04 PM
81	We should be utilizing our tax dollars for this	10/13/2022 10:05 AM
82	If other significantly poorer areas have the money and ability, it's embarrassing that we do not.	10/9/2022 7:08 AM
83	Pathetic that this is not here yet given the taxes and comparison to neighboring communities.	9/24/2022 8:46 AM
84	Add a pool. We once had 2 swim clubs	9/21/2022 12:36 PM
85	Why do we not have on already?	9/21/2022 8:17 AM
86	It would depend on the amenities and tax increase. I don't know if the tax increases ontop of what I already pay to not have children would be worth it.	9/21/2022 2:02 AM
87	With a pool	9/20/2022 10:03 PM
88	We've wanted this for a while	9/20/2022 8:42 PM
89	The borough should not take on any more buildings or facilities since they can barely maintain what they now have. If people wish to use a gym, join a gym, shouldn't expect the borough taxpayer to pay for such things.	9/19/2022 6:41 PM
90	The Boro building is working out fine.	9/19/2022 3:11 PM
91	Not if it is going to increase taxes more than they already are. Fundraisers would be preferred.	9/19/2022 2:11 PM
92	Especially including a multiuse bike facility, pump track, etc.	9/18/2022 6:33 PM
93	The addition of a rec center would make our community highly desirable.	9/18/2022 5:59 PM
94	A community center with programs for elderly and children would be a wonderful addition	9/13/2022 11:30 PM
95	If there is little to no impact on tax rates, yes. Otherwise it is unnecessary.	9/13/2022 11:25 AM
96	Rec center with swimming pool; compare to Robinson Township	9/12/2022 2:46 PM
97	With a pool	9/11/2022 6:48 PM
98	A large rec center like in Upper Saint Clair or Bethel Park	9/11/2022 8:17 AM
99	Our taxes are already too high before adding this.	9/8/2022 4:22 PM
100	Similar to USC or Mt Lebanon	9/8/2022 9:59 AM
101	Not realistic, would be paid for by taxpayers who would not use it. Realistically would not be profitable	9/8/2022 7:51 AM
102	It is cost prohibitive. Every community losses money based on operations and maintenance costs.	9/8/2022 5:35 AM
103	We are not competitive with USC center and we have enough tax base/property to support. We should partner with Pleasant Hills in this effort (similar to USC and South Fayette).	9/7/2022 11:07 PM
104	YES!!!!	9/7/2022 8:51 PM
105	Community pool is a necessity	9/7/2022 10:34 AM

## Jefferson Hills Community Questionnaire

106	Absolutely	9/7/2022 10:08 AM
107	no pool needed though	9/7/2022 10:05 AM
108	it would raise our taxes	9/6/2022 1:18 PM
109	We already can't maintain our parks and don't offer one close to the borough building. I instead go to pleasant hills where the parks are nicer and more conveniently located.	9/5/2022 8:43 PM
110	I do not feel the Borough should develop a Community Center. A community center should not be tax payer funded. If our community needs a Community Center than it should be a privately run business. A community center creates a financial burden for tax payers. We are in desperate need of more space in our schools. How does a community center solve this problem?	9/5/2022 8:34 PM
111	We need a community center with indoor pool.	9/5/2022 3:02 PM
112	Should be in partnership with Pleasant Hills. The top communities nearby all have great community centers.	9/5/2022 2:01 PM
113	Do not need it.	9/5/2022 6:32 AM
114	I would need to see information on what it would include.	9/4/2022 10:15 AM
115	Only if taxes are not raised to do so	9/3/2022 3:10 PM
116	Boro bulding is fine	9/3/2022 2:48 PM
117	Use old high school land	9/3/2022 2:31 PM
118	Use location of old highschool	9/3/2022 2:08 PM
119	This would be used by so many families and should be prioritized as part of the long term strategic plan.	9/3/2022 12:43 PM
120	It is not the responsibility of government to build, develop and operate a community center. The responsibility of government is for public safety and to provide safe roads, bridges, sewer systems.	9/2/2022 4:56 PM
121	Invest in existing spaces and look at better utilization	9/1/2022 8:20 PM
122	If we want to compete absolutely. Current parks are horrible hence why we don't visit. Haven't even heard of some of them	9/1/2022 8:18 PM
123	Use the new high school!	9/1/2022 2:52 PM
124	If the focus is on programs and resources not just sports	9/1/2022 11:14 AM
125	Get UPMC in on it, since they want a hospital	8/30/2022 10:21 PM
126	only if my taxes never increase to pay for it. USE DONATIONS	8/30/2022 9:06 PM
127	No more taxes	8/29/2022 9:22 PM
128	100% - it would be nice for our youth especially to have som place to gather and I would rather pay dues to a community rec center than LA Fitness for my son to have a place to go to work out/play basketball, swim, etc.	8/29/2022 10:23 AM
129	Please the best thing that could happen here	8/29/2022 6:59 AM
130	This should have been in the negotiation or the build of the UPMC hospital. Take the green space that was planned and make UPMC build a community / rec center as part of the plan.	8/29/2022 4:57 AM
131	Have swimming pool, senior center, community center	8/28/2022 11:28 PM
132	I would love for the kids to have a place to go	8/28/2022 10:54 PM
133	Old highschool would be perfect. And indoor pool	8/28/2022 7:48 PM
134	Including an ice rink and pool	8/28/2022 6:41 PM
135	Hampton Community Center should be our benchmark.	8/28/2022 4:19 PM
136	If it includes a pool	8/28/2022 3:26 PM

## Jefferson Hills Community Questionnaire

137	Depends on the tax hike	8/28/2022 11:56 AM
138	Sidewalks first but recreation center over just a building because the library does that for us.	8/28/2022 9:56 AM
139	Need a Rec Center (Pool)	8/28/2022 9:13 AM
140	Develop a center, with a pool, for residents only.	8/28/2022 8:24 AM
141	ABSOLUTELY	8/28/2022 7:34 AM
142	This is what our community is missing the most!!!	8/28/2022 7:09 AM
143	Yes but would not want taxes raised for this	8/27/2022 9:55 PM
144	Pool!!	8/27/2022 4:57 PM
145	Our current thorough building should be fine	8/27/2022 4:01 PM
146	Borough building is fine	8/27/2022 3:33 PM
147	Strongly agree this is needed	8/27/2022 1:57 PM
148	Give the kids something to do.	8/27/2022 12:42 PM
149	We need more family activities in our area	8/27/2022 10:06 AM
150	Taxpayers should not subsidize this! If it is built, fees must ensure it is self sustainable without tax increases.	8/27/2022 9:35 AM
151	A pool, indoor activities for inclement weather year round	8/27/2022 7:57 AM
152	Definitely!	8/26/2022 11:14 PM
153	In conjunction with the WJHSD at the old high site!!!	8/26/2022 11:11 PM
154	Why would it be needed???	8/26/2022 10:20 PM
155	This should be the #1 priority.	8/26/2022 10:12 PM
156	We need more parks that cater to everyone not just kids sporting events.	8/26/2022 10:03 PM
157	Possible collaboration with the school district?	8/26/2022 9:37 PM
158	I think the school district should.	8/26/2022 9:25 PM
159	With pool	8/26/2022 8:37 PM
160	How do we currently compare to our neighbors in the South Hills?	8/26/2022 6:46 PM
161	This would eliminate the need for community member to take children to Court Time in Elizabeth and provide our seniors a quality place to gather. This could also include spaces for concerts and gatherings + community pool like USC.	8/26/2022 4:51 PM
162	We do not need a community center and K have children	8/26/2022 4:27 PM
163	Pool would be nice	8/26/2022 3:38 PM
164	This is much needed for the more disadvantaged kids in the Floreffa, West E area. The kids are bored and need a space like this!	8/26/2022 2:11 PM
165	We are community like South Hills and should be building things like their communities instead of traveling there to use theirs. Keep the money in the community	8/26/2022 12:39 PM
166	20% prom of the population is Seniors without facilities	8/26/2022 12:30 PM
167	This would be a major improvement to the borough	8/26/2022 12:09 PM
168	There are many communities in Ohio and Eastern PA that operate and facilitate large recreational community centers with nominal fees to residents and non-residents. We need a reason to attract people to the community to see what is offered. Right now, there is no attraction.	8/26/2022 10:47 AM
169	this is a must	8/26/2022 10:27 AM

## Jefferson Hills Community Questionnaire

170	Personally, my family uses pleasant hills community spaces far more than Jefferson Hills spaces.	8/26/2022 10:20 AM
171	I actually frequently visit other boroughs community centers because of the lack of our own.	8/26/2022 10:07 AM
172	We NEED a community center!	8/26/2022 9:47 AM
173	Something for all ages. Seems as if programs we have now are either geared towards senior citizens or toddlers...need events/activities for Middle Aged people and teens. There is no safe space for teens to hang out...they end up at Sheetz parking lot because there is nothing else to do. Spaces to rent/use for birthday parties. There are no spaces for community groups to meet. Scouts, committees for PTA/groups, etc. Would be great if this was available. Activities for all ages. Not just sports oriented.	8/26/2022 9:45 AM
174	There are much better uses for tax dollars	8/26/2022 9:40 AM
175	Why build all these homes here and have nothing to do? I feel our community is way behind in this area. Shame.	8/26/2022 9:37 AM
176	Important to factor in what amenities would serve largest volume of people	8/26/2022 9:24 AM
177	Yes we need an overall rec center but it doesn't have to have a pool or be as vast that or centralized as other communities. Adding indoor basketball courts and work out facility with meeting rooms would be a great start. And making sure all Jefferson Hills fields are equally run and equipped.	8/26/2022 8:59 AM
178	This should be #1 priority	8/26/2022 8:48 AM
179	Our taxes should have afforded one already	8/26/2022 8:39 AM
180	A community center should be operated/managed by a private company	8/25/2022 10:56 PM
181	I believe in limited government if a private entity wants to build something ok	8/25/2022 5:41 PM
182	I would prefer we develop some kind of reciprocity program with nearby communities and broker an agreememnt with the exsiting new high school for residents to have paid access (e.g. \$5 entrance fee to cover upkeep) to use the pool we already spent money building.	8/25/2022 4:12 PM
183	I would rather have upgraded fire services and better utilization of the borough building	8/25/2022 3:50 PM
184	Community centers help draw people to an area to live - not having one makes us pay elsewhere for activities	8/25/2022 9:34 AM
185	Long term residents can't afford the extra taxes.	8/23/2022 8:10 PM
186	If we could bring more business to the boro and support one through the tax money that would bring	8/23/2022 8:00 PM
187	It's a big expense.	8/23/2022 7:58 PM
188	We are not upper st clair	8/22/2022 1:08 PM
189	Community is not an upper st. Clair tax base.	8/12/2022 4:54 PM
190	I think they should refab the old high school for this purpose	8/11/2022 11:33 AM
191	If a community center is built, it should include the library, historical society, and other community organizations.	8/11/2022 9:21 AM
192	I think this is something that the boro should work with the school district to develop. We do not need a center with a pool when our high school has a beautiful one that is not being used to its full potential	8/11/2022 8:42 AM
193	Vey important, Bethel park has nice community enter center	8/11/2022 8:11 AM
194	The community center should have a pool	8/11/2022 8:11 AM
195	This would give children the opportunity to become more diverse and inclusive	8/11/2022 7:04 AM
196	Do not need a pool	8/10/2022 9:43 PM
197	With pool	8/10/2022 2:12 PM

1	Bring in outside money(Like the YMCA) to partner with us on these facilities that need built. Partner with UPMC/AHN for money for facilities. Utilize monies from People and companies that have MADE ALOT OF MONEY in the community. Nello Fiori has made millions in real estate-ASK him to donate money and put his name on a building, park, what ever it takes.	1/2/2023 11:23 AM
2	I wish our bike trails and walking trails were integrated into our neighborhoods more. I see this a lot and Peters and South Park I also have a hard time finding when events are going on until they are over. Our community social media outlet are often over ran with negative talk /politics. We should instead be over ran with good news, upcoming events, community service opportunities etc.	1/2/2023 11:15 AM
3	4th of July celebration	1/2/2023 10:05 AM
4	Dont build houses on every single acreage that gets sold	1/1/2023 7:45 PM
5	1)Tiny home planned communities --see answer to #11. I think Texas has some--there are several being built. 2)Self-contained communities--Disney built them. 3) Walking communities--you can walk to most places you need--groceries, fitness centers, good restaurants (no chain restaurants, South hills has enough of those!), pool, easy parking, library, child-care, mechanic, JAZZ CLUB (music, bar, restaurant) --how about converting the Blue Flame Restaurant into a club?? Also you can get ideas from The Villages in Florida for building communities but include everyone --families, singles, seniors, Add a dance hall and get someone to teach ballroom dancing and other types of dancing.--maybe use the community room for classes.	1/1/2023 4:44 PM

The community events need to be seperated out and made more of a focal point on the home page and the council and other government type meetings should have their own schedule tab. It is hard to navigate in general	12/30/2022 5:56 PM

116	Peters townships recreation center with an indoor pool and water park. Great place for birthday parties! Also have been there partaking in AAU basketball games. Think they have an outdoor area where they show movies in the summer. You could have a place for entertainment outside as well. Peters township I believe did it pretty good. Baldwin as well has a nice outdoor pool for the kids in the summer. You could do all kinds of things with a pool and a small little restaurant nearby. You could charge for parties of all kind. If the pool was by the rec center. Could also rent out a room for the party. Offer swim lessons for the kids. Have the high school swim team teach them! Offer life guarding classes for the older kids. Give CPR classes as well especially kids CPR. There is just so many thing you can do to make this a success! Make multiple gyms so many leagues would pay for gym time as well. Maybe for Sat or Sun just for a tournament. Make a snack bar inside. Hire the high school kids to work it or have them volunteer to work it. Lots of creativity to play with.	12/21/2022 11:13 PM

122	There a lot of great community centers across the area which would serve us well. It would also be great if somewhere in the community could be developed into open air shops and restaurants which do not interfere with the bedroom community desires of some. Think of the waterfront in Homestead - obviously would not be something on that scale in Jefferson Hills but it is something that could serve a lot of purposes and be a symbol for the community. I have been to a town called Maple Grove in Minnesota numerous times over the last couple years and this is a signature of their community which does not interfere with the residential areas at all but instead enhances them.	12/21/2022 8:17 PM

I'm sure it gives those communities not only an added sense of pride for where they live, but also helps bring the community together and become closer.	12/21/2022 4:40 PM

#	RESPONSES	DATE
1	Give permits to UPMC to build a healthcare facility within the borough. Additional medical facilities brings needed competition in the medical field plus additional job opportunities. Develop an email database and inform residents of upcoming borough events and news. Encourage new businesses to come to the borough and settle along the Route 51 corridor or in the business development plan near Ridge Road. We need additional restaurants as well. Including the Pleasant Hills and Jefferson Hills areas there are too many closed businesses and store fronts. Become competitive in attracting business.	1/20/2023 12:15 AM
2	I appreciate all the people that have taken the time to pull this together.	1/2/2023 11:26 AM
3	Address speeding concerns and dangerous intersections	1/2/2023 10:06 AM
4	STOP BUILDING ON EVERY SINGLE WOODED AREAS ! Traffic increases, speeders increase but you want more homes. The roads don't change but amount of homes changes everyday. Don't know why I took time to do this survey cause all the people in charge just wasn't more homes and don't care what residents have to say.	1/1/2023 7:48 PM
5	There is much available information for planning new communities. You don't need to reinvent the wheel, as they say. Take the best of what has already been accomplished elsewhere-- California, Florida, Texas, foreign countries, old self-contained towns we had in the past, groups that are already planning for communities i.e. AARP and others and build something spectacular for all ages and incomes. I'll look forward to your plan for a creatively built, inclusive and community serving town.	1/1/2023 4:56 PM
6	Close down the Clairton Coke Works.	12/31/2022 5:08 PM
7	Jefferson Hills DOES NOT need a second tax exempt hospital. The Borough needs businesses that will contribute to the revenue flow for the Borough and School. Businesses that the residents can use, restaurants, gas station, grocery store. DO NOT raise taxes for a rec center. Get grants or donations.	12/31/2022 2:06 PM
8	More business and more sensible housing options, will provide a better work/live balance to our community. Just because there are more places to work for our residents, does not take away from our bedroom community format. Hospitals, grocery stores, Sheetz, and franchise restaurants/shopping are not things that I would consider a threat to our community. On the contrary, the lack of anywhere to put these types of places and a general unwillingness to consider them leaves us with the types of very small businesses with a high turnover rate and a low success rate. Virtually everyone that lives in Jefferson Hills (18+ square miles) shops, dines, and does business in Pleasant Hills (2+ square miles) on a regular basis. I believe more people would like to work, eat, and play where they sleep.	12/31/2022 10:43 AM
9	Do nothing that would increase my taxes or increase traffic on Gill Hall Road.	12/31/2022 8:23 AM
10	Please no fracking development. Have enough issues with air quality as it is.	12/30/2022 6:18 PM
11	I know that the UPMC ordeal is held up in court right now, but I also know UPMC has a "new plan". As residents we should have full disclosure when a project of this scope falls before our Borough. This is the perfect example of where our Borough failed us by granting permits that should have been denied. There are zoning conflicts among other Borough codes that were not upheld. I sincerely hope that as the future unfolds the Borough upholds it's policies and stays true to its' residents. Those parcels hold so much value in our community, there are so many better options for the space. Illegal hunting needs to be dealt with. There is a lot of it happening in Jefferson Hills and we need a better system of dealing with it. Homes are too close in range to the wooded areas and it is not safe for our residents. I would like to thank the Borough maintenance crew for keeping up with the necessary maintenance of the Borough. They have come to remove roadkill when it was absolutely necessary and keep the grass on	12/30/2022 6:10 PM

## Jefferson Hills Community Questionnaire

the side of our road cut back in the summer and our road is always plowed and salted in winter weather. Their hard work is not taken for granted!! This is a wonderful idea, thank you for giving us the chance to weigh in!!

12	Do not need a community center. Taxes r too high ....a lot of seniors will not be able to afford to live here. Creating more housing should be well planned not just started because there is some empty land! The beauty of living in a borough that is well treed and quite close to a rural setting is starting to disappear with all the greed prevalent in it lately! How many more housing is enough?	12/30/2022 3:59 PM
13	While my children are grown up, I have grandchildren that live in this community. I want to see good educational and recreational opportunities for them. As a senior, I want to stay in this community and I would like to see some single level living housing that's affordable. New elementary schools are going to be needed with so many young families moving into Jefferson Hills. Higher taxes! Ugh! Schools are already overcrowded. I am sad to see all the farms being sold and turned into housing developments. It used to be a lovely ride down Gill Hall Road. Now, all I see are huge white fences and rooftops and they are not pretty. All the trees are being cut down. So unfortunate for this area! I don't think we need every farm being turned into housing developments. As a senior, I would like to be able to live in a walking community with access to basic retail when I'm unable to drive. In general, people like a walking community and I would like to see any new developments include ranch houses, retail, banks, postal, restaurants, trails, green space, or town square. And of course, the highest priority is a safe community!	12/30/2022 2:14 PM
14	Jefferson should remain a residential community for the most part. We should be concerned about the air quality, especially with the compressor station, the mill, and the huge well that is being placed right on the border of Jefferson. Instead of worrying about businesses moving in, the focus should be on protecting the residents in every way possible from the abuses that we are currently enduring because of these big businesses. We need to focus on protecting and improving the environment that we live in - planting more trees, limiting development, testing air and water, improving any way we can to make it a livable environment without fear of the contaminants that are currently being released. Now is the time to act and put a plan in place. You can build the best community center around but if it is no longer safe to live here what is the point. EQT has gotten one over on Jefferson simply by moving the well one mile across the border. Jefferson fought long and hard to keep them out because of the detrimental impact; now we need to prepare for it. The mill is causing significant air pollution and the compressor station may be as well. Would it make more sense to put the money into mitigating the impact of these things to make it a better place to live. Also, we need to lower the taxes - our seniors are being priced out of the borough. The small businesses that we have now (Gill Hall and Old Clairton) are perfect for the community. We do not need any more business development. Focus on quality of life and the residential environment. More trees, fields, pastures (green spaces) not houses or businesses.	12/29/2022 4:49 PM
15	Dog park	12/29/2022 4:05 PM
16	Take into account the long term costs and benefits of any decision made. If the schools are not sufficient enough to support the ever-increasing home building, should we be spending money on a community center or the schools? Do we need retail when we are surrounded by retail on 51, Lebanon Church and South Park. Will those other retail locations survive if additional retail is built?	12/29/2022 11:46 AM
17	I moved here because it had a country feel. Now the deer and wildlife are being pushed out. The school system is overrated. The number of students are outgrowing the highschool, and it was just built. It is very disappointing and upon retirement within the next 5 years we will move to a town that is more suited to our suburban/outdoor lifestyle. This doesn't mean adding tiny parks it means beautiful wooded areas similar to when we moved here in 1999. I feel sad with every new development I see. Sorry to say...Jefferson is no longer our beloved home.	12/29/2022 11:28 AM
18	I don't understand why we shut down things that could bring revenue to our community. Ie... UPMC hospital, Gas fracking. You let a Handful of people pressure the borough into not allowing these things	12/29/2022 8:53 AM
19	I would like us to have a proper community center with a swimming pool and recreational activities. Summertime programs for those who have both full time working parents.	12/28/2022 9:36 PM

## Jefferson Hills Community Questionnaire

21	I know this survey isn't related to our schools, but I just have to mention that it is critical that we purge our schools and police them to eliminate any WOKE and/or Critical Race elements that may be developing. Let's keep education focussed on reading, writing, arithmetic, and STEM!	12/27/2022 7:20 PM
22	Report on local news stations about state of Pennsylvania having no laws or standards in place for enforcement of Training in volunteer fire departments but you are punishing Gill Hall because they are not all trained. We really do need a Fire Company here in Gill Hall with the local grade school. Besides the fact we all have much higher Home Insurance rates because the 2 Fire companies are now much farther than 5 miles. Exactly where did you come up with the standard of training from? Also if you paying to have one fire house manned 24 7 you should be doing all. This is one large community but over the past 5+ years it has become more divided than I have ever seen it to be in the almost 50 years I am living here.	12/27/2022 7:11 PM
23	we have a lot next to us the house burned down 8 months ago the tore down the house which was great but they left a big hole next to our house it isn't safe for our visiiters and when it rains we have water sitting in it and that isn.t healthy. The grass should be cut when spring gets here also. if they don't want to do that then sell or give us a price and see if we can get it.	12/27/2022 3:58 PM
24	I would like development curtailed. Spending does not have to increase every year ! Maintain what we already have and do not add new liabilities and new spending. Save some money and build up our financial assets. Long-range planning should be governed by conservative principles.	12/27/2022 3:56 PM
25	Improve access to/from Cochran Mill Rd	12/27/2022 1:57 PM
26	Building and maintaining community centers would be too expense. Usage wouldn't be enough to warrant them.	12/27/2022 11:37 AM
27	There must me SIDE WALK and WHEEL CHAIR access around hunters field. The pond MUST be changed to a beautiful visit area, plantation and nice park to be built around the pond and empty area. THERE MUST BE SPEED BUMP INSTALLED AS SOON AS POSSIBLE AT WEST BRUCETON ROAD. The side of the road on W Bruceton must be cleared for the bushes as there area areas where driver cannot see the opposite traffic due to bushes, grasses or climbers around the road sides. The road on West Bruceton MUSY be paved as black topped and all pot holes must be filled up timely.	12/26/2022 10:43 PM
28	Develop more National or local business along Rt 51, not in the housing areas. Ok for small business closer to housing such as child care, accounting, lawyer services. Keep port authority buses along Rt 51. If Rec Center is built, pay for it with access fees to users, not raising taxes.	12/26/2022 9:21 PM
29	Do not allow overdevelopment Build a community center Build a public swimming pool like the one in Upper St. Clair	12/26/2022 4:33 PM
30	I am very concerned about the rate of residential growth in the community. Particularly with builders such as Maronda, who acquire large tracts of wooded land for the purpose of building massive quantities of cheaply made homes, with no intent other than to extract as much profit as possible. The corporate greed will victimize the entire community. The large quantities of undeveloped green space are very appealing and real estate transactions involving such land should be scrutinized to ensure the buyer's intent is aligned with preserving a decent community.	12/26/2022 11:08 AM
31	The boro is attractive to its existing residents, and newcomers, partially due to the amount of green space and the sort of "country" feel we still have as a boro. There has been during the past decade an increase in residential development. This should be basically stopped. If we continue to develop remaining woodlots and fields, soon we will be just like any other nearby community, Baldwin, West Mifflin, Bethel Park, overcrowded. We as a boro need to improve and make better use of what we currently have in place.	12/26/2022 8:45 AM
32	why do we not have a fire department in the gill hall area?????????????	12/25/2022 11:53 AM
33	We desperately need a larger business tax base. A second hospital would have been a huge plus too by providing income to the Borough as other non profits do in less obvious ways. Single family homes won't provide the on going tax base to improve our area and invest in our future infrastructure. We need to provide present and future residents a place not only to live but to work, play and do business here without having to go outside the Borough for most everything. I've lived and worked my entire life here. My children and grand children live here	12/24/2022 11:22 AM

and I would love for them to find Jefferson Borough a place that they too can spend their remaining years living working and raising future lifelong residents.

34	1. Just because I checked on this survey that something is important to me doesn't mean that I think the Borough Council should be in charge of it. I have no confidence in the Borough Council's abilities, expertise or motives. 2. How about you don't develop at all and just leave people alone?	12/24/2022 10:45 AM
35	STOP BUILDING HOUSING PLANS!!!!!!!!!!!!	12/24/2022 7:25 AM
36	The school district may not be able to accommodate the continued growth of housing developments	12/23/2022 5:31 PM
37	Please do not increase taxes.	12/23/2022 2:51 PM
38	This may not be the borough's jurisdiction but looking into egress and ingress for all new developments, both business and residential is needed. If a business wishes to open, they must first show plans for traffic access. If road improvements are warranted, those need be borne by the business while looking out for the benefit of residents. I don't think the Jefferson Hospital impacts substantially the road it is on. However, the "planned" hospital along Elliot may impact the residential area surrounding it. I assume this has already been researched but with the opposition by residents in that area, there is some concern as to whether or not their concerns have been addressed. I use as example the car dealership near Rt 70, along Rt 51 was built some years ago. Traffic lights were installed to make it easier for customers to access the dealership which impedes the flow of traffic. Years ago, there was a single traffic light at Pay Day's (now Get Go) and not another until the town beyond the 51/70 intersection. Traffic moved freely but now there are a number of additional lights which impact traffic. Every traffic light or stop sign reduces the flow of traffic and increases gas use and pollution.	12/23/2022 1:23 PM
39	Stop the housing plans. Take advantage of the gas industry	12/23/2022 12:22 PM
40	Do not develop or allow section 8 housing in any area of Jefferson Hills. Have community events throughout the year to bring the community together (i.e. parades, festivals, picnics, etc.). Maintain a small business oriented board that is fair and impartial. Do not allow the "good ole boys club" to prevail within the board or community. Maintain morals and favor God when determining what decisions to make. Do not bow to social media or a small portion of the community when making determinations that affect the entire communities future. Honestly look at how decisions affect the community long and short term, do not just focus on a present day singular benefit(s). Remember that you are the voice of the community not solely out for yourself or your friends or your area. We, the community depend and trust you to maintain and create a great future for us and our families so that we want to remain here for generations to come. Your service and dedication to the community does not go unrecognized or unnoticed, Thank you!	12/23/2022 11:14 AM
41	School and real estate taxes are senior's top expense and even more irritating when the money is spent on excess or unneeded projects. Not having a park won't make current residents move or stop new home buyers from buying here. But building Versailles palace as a senior high school will make residents or potential residents think twice about Jefferson Hills as a place to pay taxes. Students don't mind a basic concrete and brick school because they haven't been exposed to Versailles palace and don't know better. They used to learn in log cabins! Remember?	12/23/2022 11:12 AM
42	1) Repair and maintain old infrastructures. 2) More communities events. 3) Diversity inside borough members to know and learn about new neighbors and their way of life. 4) More sports field and swimming pools	12/23/2022 11:06 AM
43	.	12/23/2022 10:39 AM
44	It is absolutely key to preserve the nature, the environment and our wild animals. Green areas must be preserved and not all be built on. More sidewalks would be a nice addition, not having to drive everywhere. It is also of key importance to minimize (rather stop) the pollution from the Clairton works. The air quality is often extremely bad. The smell is terrible. This must be the top priority for the community. It is very unhealthy especially for children growing up.	12/23/2022 10:08 AM
45	I love that Jefferson has a first rate school system and the beautiful new facility, however, having lived here most of my life, there is little attention given to the senior residents. I'd like to see this addressed. Boro taxes helped build that beautiful school and it would be beneficial to	12/23/2022 9:05 AM

be allowed a swim night occasionally at the high school pool. Other communities do this and it is a great benefit.

46	Is there a committee to join regarding planning, or will this just be for our local officials? Will there be any community input? I'd love to take part and help!	12/22/2022 11:42 PM
47	We really need businesses to help with the taxes in our community. People are starting to think twice about moving to West Jefferson Hills School District because our taxes are constantly increasing. If we need to build more or larger schools, our taxes will again increase. If we made it easier for businesses to come into the boro, it could absorb some of the tax hikes. we have the entire 51 corridor that could be revamped to accommodate some businesses, but I'm told Jefferson makes it too difficult to think about being here.	12/22/2022 9:02 PM
48	Lower Property Taxes	12/22/2022 8:57 PM
49	No comment	12/22/2022 8:54 PM
50	We do not need anything to increase our taxes in this borough. If the idea is to keep up with other communities based off their wealth then people who want those things should move there. Bring businesses to area and have them pay taxes! Keep borough streets and weeds taken care of.	12/22/2022 8:06 PM
51	Our entire community hopes the President, Melissa Steffey and Vice President, Hilary Budd, along with others on the council will work better together in the new year. You need to know that it is embarrassing and people are going to move away from Jefferson Hills because of the council's poor reputation. You think people don't notice but they do. Please plan on getting along with your council members in 2023. The President and Vice President provide the leadership and the reputation. Not getting along with people and causing conflict is detrimental to this growing community. If you want to work toward improving Jefferson Hills you must change your reputation in 2023. I hope you don't ignore this. Good luck.	12/22/2022 7:48 PM
52	Offer an end of year survey to JH residents about the school systems here. There are no real mechanisms of feedback to address toxic teachers and student frustrations.	12/22/2022 6:46 PM

55	I would like to see consideration relative to harvesting renewable energy from the mine pools beneath JHB and neighboring communities. Although the technology currently exists, mostly developed in the UK for community harvest of geothermal energy from mine pool water, it is not widespread. The geological setting in our region is ideal for various forms of renewable energy harvesting due to the fact that the coal mines are above drainage (approximately 80 ft above streams).	12/22/2022 3:27 PM
56	I grew up here in Jefferson Boro off off what was called calamity hollow . River view plan. I myself am tired of seeing all the farmland being ripped up and filled with housing. Everytime you turn around there's more being ripped up. It would be nice to see Rt 51 filled with new and original businesses and restaurant's instead of empty buildings.. I grew up in the 60's 70's here, we had to drive to south hills village for a mall, here we are back again. We need some upbuilding things going on in our area besides BUILDING of more homes.	12/22/2022 2:28 PM
57	This community has grown so fast and we have not kept up we need to be providing residence with options. Take a ride up 19 to north hills they have great areas that attracts businesses and people from all over	12/22/2022 1:43 PM
58	In conclusion, This is a decent area. If I could go back and choose to live here again, I would.	12/22/2022 1:33 PM
59	I moved here 12 years ago. I live on Gill Hall road. When I first moved here the traffic was half of what it is now. All of the new construction of the homes has added tons of new traffic. And this traffic is not doing the 35 mph that is posted. I cannot begin to tell you the number of dead animals I have had to pick up in front of my house. I put my life in my hands just going to my mailbox. The animals have no where to go now that all of the forest area to being taken. With all of the new businesses and homes can our infrastructure handle it? This is something to consider. Our sewers and drainage pipes are old. A new community center? We have an empty fire hall and High School sitting. I hope we do not plan on clearing any more land.	12/22/2022 1:27 PM
60	Petition the US Government to get Jefferson Hills its own ZIP code! I don't like sharing the ZIP code with Clairton.	12/22/2022 1:04 PM

## Jefferson Hills Community Questionnaire

61	As of 12/2022 we plan on staying in Jefferson Hills at the most 3 years.	12/22/2022 12:55 PM
62	Keep as much green space as possible, every square inch doesn't have to be developed. Repurpose existing vacate parcels. Think of traffic impact with development. Let projects serve residents and not merely attract "carpetbaggers" looking to make a buck in community	12/22/2022 12:37 PM
63	Too much of a good thing adversely impacts the good thing. I like the signs that advertise Jefferson as a great community. The conditions that make a great community must be preserved. Controls must be in place to ensure Jefferson does not become just another community that was once good.	12/22/2022 12:32 PM
64	It's a health concern to have multiple families living in one dwelling	12/22/2022 12:21 PM
65	We have to think of the kids and getting them involved in more things than sitting at a computer screen playing games. I ride my grandkids out to the air jump park in canonsburg so they have something to do. We have a lot of wooded areas so even a zip line would be fun for them and it would be another business to open.	12/22/2022 12:10 PM
66	Please keep fracking out of the borough. It is dangerous to our health and environment.	12/22/2022 11:42 AM
67	Please stop adding housing to the district -- our schools are not big enough to grow as it is. And if more houses are coming in -- taxes continue to go up? If our kids were not already involved within the school and local activities, I am not sure I would stay here. I am not sure if we will stay here after our kids graduate -- there are other communities with the same amenities with more green land and more opportunities unfortunately. I hope Jefferson Hills comes back as one of the top places to live again -- which is why we came here, but have not seen it improve.	12/22/2022 11:23 AM
68	There seems to be a tremendous amount of land development going on along Bruceton Road, Gill Hall Road, Old Clairton Road, Redcliffe Drive and Majestic Drive. I don't know exactly how many, but based on the size of these areas it seems like many houses are going to be built. All of this development requires removal of acres and acres of trees and other vegetation (green space). It will also put additional burden on infrastructure like sewage treatment, water, electricity and other utilities. Is our police force equipped and staffed enough? Is our fire, rescue, and EMT's equipped and staffed enough? Is our DPW equipped and staffed enough? The biggest question is whether our school system can accommodate the large influx of students this new housing will certainly create? We, the taxpayers just spent a lot of money building a new high school. Is it going to be big enough? There are already temporary type buildings at the intermediate school. The old high school is being demolished. I guess what I'm saying is, please think ahead and try to factor in all ramifications of any decision. The taxpayers deserve that. We pay the bills!	12/22/2022 10:54 AM
69	- source revenue from places other than residential tax revenue - increase community resources without burdening the tax payers with additional mileage - utilize current resources to improve community service - cut funding where not beneficial to public, run the municipality as a business - encourage local business and local business development. - make it harder for residential development, easier for businesses	12/22/2022 10:24 AM
70	More attention to salting and winter road cleanup i leave early for work in Pittsburgh and roads are not even touched especially if there's no school There are other people in Jefferson besides families with children in school. Please do not keep building housing plan upon housing plan. The beauty of Jefferson had green space and wildlife which is disappearing faster than the blink of an eye i may plan to move based on this changing landscape and if taxes continue to increase	12/22/2022 9:41 AM
71	Especially important to preserve what is left of our green spaces. Continued development is having costly consequences, including increased traffic and road wear, more frequent electrical brownouts, and an increase in crime. I am for anything that maintains or improves our property values (more green spaces; pedestrian/bike friendly neighborhoods; support for the Montour Trail) and would not be detrimental (including further development, fracking, commercial property development). Would especially appreciate improvements to the intersection of Gill Hall and Old Clairton Roads (especially with the new development nearby going in) and resolution of the abandoned gas station eyesore. Thank you for conducting this survey and giving us the opportunity to provide feedback!	12/22/2022 1:39 AM
72	I have mentioned all I wanted to mention. I hope the borough can come up with a great plan to make Jefferson Hills a great place to live and raise your children. This would make it a very proud neighborhood for us to call home!!!!	12/21/2022 11:18 PM

75	Smart work with the survey!	12/21/2022 8:03 PM
76	As you mentioned, there has been significant development in the borough. I think it is time to stop new building to leave some open green spaces. Otherwise, the community will end up as one big neighborhood with no separation.	12/21/2022 7:48 PM
77	With the new high school built, why not make the old one a Community Center?	12/21/2022 7:26 PM
78	As I said before please stop all the development. This area was so lush & beautiful when we moved here. That's the reason we moved here in the first place. Now it's nothing but housing & more housing. So disappointing.	12/21/2022 6:28 PM

Like dont put trash cans out till after 3 pm the day before collection and please put trash can in no later than 9 am the next day.... Also no parking cars or boats on the road there is someone who has their boat parked on road outside their house it needs to be moved, how can the snow plow come with that in the way. Should be a fine for that.... more and more things keep happening and borough does nothing about.... The police ride around in their cars certainly they see this cant the people be told about it at least.... And if not moved be fined.... This borough is just starting to let stuff go.. Ive lived here most of my life and this borough is really going downhill.....	12/21/2022 5:07 PM

89	Most of all I'd just like to see something finally move forward. I've lived in the community for just over 10 years now, and I've been heavily involved in a number of the youth sports organizations. For years there has been talk about what may "possibly" be in the plans, and we've had surveys done before, but what has truly been done to improve the community? Adding 1 pickle ball court here, or building a batting cage or 2 there, is not doing anything to make our facilities what they truly should be, it's simply trying to take the attention away from making things bigger and better. The community continues to grow, and we have a beautiful new HS for the community to be proud of. But what is actually being done within the borough to keep up with this growth, and provide the people within the community some of the things they desire. This is a young growing community, and the people moving here deserve to have the best if this truly is the # 1 place to raise a family. Unfortunately my kids will never know since they'll be grown and off to college by the time a decision is made and action taken.	12/21/2022 4:49 PM

92	I work hard to keep my property clean and well maintained, even though I am a senior. I live next to a rental property which is in poor condition. There is a collapsing shed on the property. The grass is cut and shrubs trimmed only 3-4 times a year (sometimes less). The home appears to be a HUD financed home based on its frequently changing occupants. Renters have included: 16 year old boys who couldn't pay the bills so the utilities were turned off and they were using the woods as their bathroom, renters who are in jail half of the year for drug charges, renters with frequent domestic conflicts requiring police and ambulances at the home regularly, renters using marijuana regularly with the smell so strong, it is difficult for me to be outside working in my yard at times, renters who unload pickup trucks filled with boxes, into the garage only after dark. It makes me feel unsafe in my own home. This is not the only rental owned by this landlord in my neighborhood. It is easy to see which they are as they are all just as poorly kept. it creates an unsafe feeling in the neighborhood. I would like to see Jefferson Hills create a committee to oversee rentals and landlords, create and enforce rules for rental properties. I am frequently harassed by this landlord. He determines where his property line is as it suits him. I can't afford to take legal action and calling police / filing a report every time would not be realistic for me.	12/21/2022 9:28 AM

94	I hear time and time again that people looked for a house in Jefferson, but ultimately decided to move somewhere else because we lack a community center and basically only have unhealthy fast food options nearby for food. We need more quick restaurants that are not McDonald's, Arby's or chick Fil A, or Wendy's. That is super important for families with kids in a lot of activities. Places like USC, Peter's, Bethel, have so many more food options close by. Also, the community center. Why is the old high school sitting up there unused? It is an eye sore and embarrassing. We have the space, we pay the taxes, we are losing community members and potential home buyers because we do not have a community center. EVERY other community nearby offers that to their residents. Also, I do not think a single family home should be able to have more than one family living inside. It is a single family home. I have noticed the parking lot below the high school field used as an extended driveway for a nearby home with more than 3 families living inside. It is not right or fair to other residents who pay the same taxes. Single family homes should have a limit on the number of occupants inside. Public spaces like the stadium parking lot should not be able to be used as someone's driveway when their home has a driveway that fits more than two cars to begin with.	12/18/2022 10:08 AM
95	I would like to retain as much green space as possible and require a set amount of green space (20% minimum) for all new developments. (See Dublin, OH) It would be great to have a town square/main street type of shopping location with unique shops, not big box. (Google photos of 'uptown' Westerville, OH). That would draw shoppers and tax revenue and still be attractive. I am very much against a Community Center unless you can privatize it. They are great when they open, but interest tends to drop off and they rarely break even.	11/8/2022 1:52 PM
96	These are the most important areas that the borough should focus on to retain current residents and attract new ones: use our tax dollars responsibly (i.e., no tax increases), keep fracking out of the borough, and bring in more local dining and retail establishments.	11/2/2022 3:14 PM
97	Reassess property taxes one everyone instead of just when a house is sold. This would allow you to even put the rates to be fair to all residents.	11/2/2022 3:11 PM
98	Make good people want to move here.	11/2/2022 2:14 PM
99	Stop all of the developments!!!!	10/28/2022 8:04 PM
100	Reconstruction or widening of tunnels on gill hall rd and along Cochran mill would increase safety and traffic flow. Planning a designated area for ATV/dirt bike recreational trails would be a great way to encourage a healthy outdoor activity for families and promote related business opportunities in the area by increasing new visitors.	10/21/2022 9:06 PM
101	Right now there is a serious coyote problem in the area that I think needs taken care of immediatly. These animals are over populated.	10/20/2022 7:48 PM

## Jefferson Hills Community Questionnaire

102	My husband has been looking to find property for his landscaping business but comes up with dead ends in the area. That's one thing he talks about as being beneficial one day. Places for sale in area are practically falling apart and astronomically high in price.	10/19/2022 9:00 PM
103	Had difficulty checking the numbers from 1to 6 on the portion of this questionnaire that asks about priorities. It kept changing or eliminating the numbers .. so his reliable is this survey?	10/15/2022 2:28 PM
104	Please reopen gill hall fire station and protect the community with its close proximity to homes	10/15/2022 1:00 PM
105	This borough has so much to offer in terms of housing but we have little in terms restaurants, shops and things to do. Our parks are beautiful but need updated.	10/14/2022 12:12 AM
106	I think it's important for the borough to have a master plan for future development designating areas for services, shopping, businesses, and residential areas. This plan should also include green spaces, and community spaces, as well as a better road system with connections for easy access and traffic flow. This borough is currently being developed by individuals who purchase property for housing developments without, or with poor, connection to developments that already exist and to the surrounding area. The current traffic flow in this borough is very poor. This borough has always been known for being very difficult for establishing new businesses and this needs to change. Over the years, we personally know of business owners who have tried and "given up" because they said the borough was extremely difficult to work with. These businesses were then developed in other surrounding communities and are very successful.....lost opportunities for Jefferson Hills. Develop a plan to attract new businesses. Rather than making it so difficult, provide attractive opportunities for businesses to enhance the borough's master plan.	10/13/2022 7:29 AM
107	This community has long needed a space for our children to practice, and play. The fact that the parents and residents need to pay to use facilities elsewhere is deplorable. Surrounding boroughs have put spaces like these in place YEARS ago and have reaped the benefits and seen the community grow in doing so. If these three boroughs and communities can't come together to make a decision on a space for our children and the rest of our community to use, the borough as a whole will slowly decline. I know I speak for all members of this community when I say that if these things can't change, then there is nothing keeping us here. We can reside in an area that listens to the community and cares about the longevity of its residents.	10/9/2022 10:10 AM
108	Give Gill Hall fire protection. Recreation is far behind neighboring communities	10/8/2022 9:02 PM
109	I feel there needs to be more things/events for under school age children. At one time there was Easter Egg Hunts, Halloween parades, etc. The parks need upgraded for the children. My children grew up here and we were always doing things, my grandchildren...not so much.	10/8/2022 5:44 PM
110	Get gill hall firewall open now	10/8/2022 5:36 PM
111	PAVE HIGH ROAD!	10/8/2022 1:19 PM
112	Stop spending taxes on crap that doesn't affect the borough as a whole! Our roads suck & you keep getting the same shoddy company to fix them!	10/5/2022 8:10 PM
113	Thank you for this opportunity to speak up concerning needs in our community	10/5/2022 1:45 PM
114	We need to stop the development. Enjoy the surroundings and safety of the community. More people means more crime, more traffic and less privacy. The roads are narrow, hilly and bumpy from all the heavy construction vehicles and cannot support more traffic. Quality of life makes the area so nice, don't ruin it.	9/29/2022 10:16 AM
115	No UPMC South No fracking	9/28/2022 3:08 PM
116	The increase in vehicle traffic because of all the residential development needs to be addressed. Stops signs are not a turn on red or just roll through on residential streets. And with all the new residential development, we need to plan for more recreation. More interaction with the school district. How will the new residential development effect our taxes? More recreational events for senior citizens.	9/25/2022 7:55 PM
117	There has been nonstop, new construction of residential neighborhoods for over 30 years in this borough. As a result, the borough's tax revenue has increased every single year. But yet the homeowners and residents cannot point to a single thing, other than a new borough building, in that time brought about by the increase in tax payers. It is inexcusable in a community that closes on homes over \$400,000 each day, to not have a recreational center complete with all appropriate fields and pools available to our residents. It's shameful to go to	9/24/2022 8:55 AM

events at neighboring communities that afford their taxpayers these luxuries. Is utterly embarrassing to have those same neighbor community members attend events in this community due to our lack of facilities. I have questioned the community's unprecedented growth and lack of improvement for years.

118	STOP building housing plans. Stop taking our woods away. Stop letting multiple families live in one household and pay the same as single families. Inquire who is buying these homes before allowing them.	9/23/2022 1:59 PM
119	I want to preserve the semi rural feeling we have on 885. It's the reason we moved here, and I do not want to see it destroyed. I do not want to see a huge amount of development that will make the roads too busy and our neighborhoods noisy and hard to navigate. I welcome more opportunities (volunteer and social) to get together as a community.	9/21/2022 11:47 PM
120	We need to worry less about adding more homes and more about making this a great place to live. Our parks look like crap, they are filled with weeds. Nobody on council seems to care about the few things we do have. Such a great place to raise kids and there is nothing for them to do here besides swing on a rusty swing that's been there since I was a child!!	9/21/2022 8:21 AM
121	Please I'm literally begging you to not put another housing development in. Preserve our wooded areas, I want to see small businesses opening up in jefferson hills. More community events!	9/21/2022 12:34 AM
122	I have lived in the borough for over 60 years and I have watched it grow tremendously in population and prestige.. But the reason that people moved here was always the wooded setting and the sense of community. We need to guard that we never lose or jeopardise either or we will just be another suburb of Pittsburgh. Someplace people drive through on their way somewhere else. Maybe on community day they can broadcast via the borough website live from the event, so those who can't be there can also participate, see their neighbors and enjoy the entertainment.	9/19/2022 6:47 PM
123	A community center and pool would be a great thing for our community. It is something that the residents want and talk about all the time. The community center would be great for classes and rental and they both could provide revenue and jobs.	9/18/2022 6:13 PM
124	From a school standpoint, we would love to see more of a focus on arts/trades and less on football. A rec center would push our community forward. A library offering similar services/programs to bethel/whitehall would appeal to the many families with kids moving into j hills (as well as the senior citizens). Our community offers a lot, but the communication of the programs/services offered can be improved. For example. It was difficult to find reliable information on the summer rec program. Any information found was dated. A website with up to date information would be important	9/18/2022 6:09 PM
125	Jefferson needs more retail businesses for tax revenue and options for shopping. There is not much here anymore. Once we get that perhaps it all can help to build and support a community center and even a pool. To continue to constantly raise taxes on the residents is a sure way to push people out of the borough. Other then a decent school district and a couple of parks there is isn't much here in Jefferson. I also believe that the developers of all these housing plans should be required to improve on the roads in the borough as well as add greenery back to the landscape. They take everything they want and aren't required to give anything back.	9/15/2022 11:14 PM
126	Dramatically scale back residential development - protect green spaces - perform water studies on areas that have been over developed. - replant greenery and trees in these over developed areas.	9/14/2022 2:29 PM
127	Splash pad and update parks	9/14/2022 1:57 AM
128	Activities, both in person and virtual, for residents of the community. Virtual bingo like the one held weekly by Central Valley Lil Warriors allow people to connect and have social contact without leaving their home would be a great option for those of us that are immunocompromised and uncomfortable in large settings.	9/13/2022 11:34 PM
129	Upgrade the current housing plans, townhomes etc quit taking away the green space for wildlife it's ruining the ambiance of our community. We bought our home here because it was closer to our employers and it resembled our previous property in another county with green space and would like to keep it that way.	9/13/2022 9:31 PM

center and pool. Also single family homes should be that, and not multiple families in one home.

131	It would be nice if we had some more fun adult things to do here, such as having a brewery to visit. It would also be nice if there were more restaurants that weren't chains or that don't serve bar food.	9/8/2022 4:26 PM
132	This community has been and continues to grow. There is great tax base. I don't understand why we don't have a community center for all ages	9/8/2022 10:02 AM
133	Pool / Rec Center walking trail connecting chamberlain to peters creek area.	9/7/2022 11:09 PM
134	Love to make this a growing place for families and connection so keep that in mind.	9/7/2022 10:39 PM
135	Keep government affordable No tax increases	9/7/2022 10:19 AM
136	Be careful of overdevelopment since our roads will not be able to handle the additional traffic. Just as an example, Coal Valley Rd is becoming more dangerous with the additional traffic because of the mix of speeding and curves. Hate to see us become another North Hills.	9/7/2022 10:09 AM
137	protect the history of Jefferson Hills in all areas of the borough. adding more homes only pads the pockets of certain people in the borough and doesn't necessarily help all citizens.	9/6/2022 1:23 PM
138	Our community does not need a community center. We need school buildings for children coming into this community. How can we say we need a community center before having a place to educate children? Our Borough should not make a deal with UPMC to build a community either. Up front it seems like a good deal, but in the end tax payers are stuck with the bill. With a community that is expanding quickly, school buildings cost millions of dollars to build and this is going to increase taxes. We have to by law provide education to children. We do not by law have to have a community center.	9/5/2022 9:15 PM
139	Please no community center, it is not necessary as we already can't properly maintain our parks. If you want to add a park or playground at or near the borough building that would be spectacular. Also, please slow down the community development or better yet stop it. When we moved here there were lots of green areas and it is very sad to see them disappear only to be replaced by homes. We our destroying our trees, removing wildlife habitats and burdening our community and school district with an influx of people. This development is unsustainable and honestly is a potential factor in me leaving the community. I know it's been said several times but we truly need sidewalks along Old Clairton to provide safety to members of our community. It makes it very difficult if you would like to take a walk beyond the small development you live in.	9/5/2022 9:00 PM
140	This town is getting overwhelmed with new construction and the paths for transportation to get around are not good. Can our newly built, expensive, high school sustain the growth. I hear it can't. Instead of focusing on building a replica of Monticello (slave plantation) should have focused on the growth.	9/5/2022 3:06 PM
141	The size of the building lots is too small. Houses are jam packed in, and the quality of many is low. It's time to appreciate the open space. And change the rules about destroying the natural lay of the land! No one can maintain those steep slopes that didn't naturally exist. It's wasted space. The lower Cochran Mill area is now set up to be a major flood area with all the property developed above it. What are your plans for those people, the businesses, and the sewage plant when it floods? With all the residential building, the schools are jam packed. Maintain the rules of how many families may live in one house. Traffic has become dangerous. People run the stop signs, don't want to share the tunnel. Too hi-faluting for rules and courtesy to apply to them. It's difficult to get in and out of driveway. Very few courteous people. The Waterman and Stille tunnels are in disrepair. Decades ago, the Cochran Mill Road should have been repaired. Not the railroad's responsibility to replace a traffic bridge over the railroad. Grade the road down so the railroad can be crossed. The boro is getting to the point where if there's an emergency, response time will be greatly increased. There are riding and walking trails that aren't heavily used, both in JH and neighboring communities. People don't spend much time outside. Do not need community center. With the increase of the cost of living, we need to maintain what we have now and not increase spending on unnecessary things.	9/5/2022 6:53 AM
142	Thank you for offering this survey! Very concerned about the extent of development, loss of wooded areas, and environmental/tax implications/traffic implications of rapid development.	9/4/2022 4:29 PM

## Jefferson Hills Community Questionnaire

new businesses along the 51 corridor, and areas of 885 plus Gill Hall. The residents usually have to go out of Jefferson Hills to do any type of major shopping, and even minor items. That means traffic patterns may need included in these studies. Another thing is look at the size and state of each school building before saying yes to large residential developments, our area schools do fluctuate in enrollment but we need businesses to help alleviate some of the school taxes, ours for instance is huge and we no longer have children in the district schools as they graduated. Why stay in the area if we are paying an exorbitant amount in school taxes? I can bet seniors feel this pinch especially now with the state of our economy. A Community Center may be a nice addition to our area if it is not done in haste, careful planning is needed to ensure you are not catering to a few but to the majority of the residents. I do applaud you for putting out this questionnaire, however, had I not been looking for a different topic I never would have known it existed.

144	You are chasing out the senior citizens with tax increases	9/3/2022 6:51 PM
145	Police do a wonderful job communicating issues to residents. Keep it up. Getting the word out is key to safety. Just like the Fairman kid being arrested for mole sting kids, that's transparency! Thank you for keeping us all informed! Keep running speed checks too on 51	9/3/2022 2:51 PM
146	No fracking! Improve our green space! Rec center needs to be built - with a pool! Thank you!	9/3/2022 2:32 PM
147	Please no fracking, no Upmc, save our green space, fix roads and tunnels. Use old high school land for rec center. Thank you!	9/3/2022 2:11 PM
148	We love living here but often wish that we had some of the amazing facilities that other communities have. We go to the park frequently but usually go to Pleasant Kingdom as it is by far the nicest park in the area, but it's not in Jefferson Hills. I also wish that our community was more walkable as it's great for health and many of the businesses are not far, just not easily accessible without a dangerous walk on Old Clairton or Gill Hall. Thank you for taking input from the community!	9/3/2022 12:47 PM
149	It would be nice if Jefferson would have its own post office to condense all the various zip codes.	9/3/2022 8:01 AM
150	Creating an annual plan to evaluate and fix/pave borough roads, adding traffic lights to unsafe intersections and, completing and implementing a borough traffic study needs to be a priority before adding new housing developments. New homeowners did not choose to purchase/live in Jefferson Hills based on the construction of a new multi-million dollar community/recreation facility!	9/2/2022 5:31 PM
151	I would like the borough to know and recognize that there is a residential area on High Road off of route 51. It always seems that our area is forgotten/neglected since we are on the edge of the borough. That was confirmed to us years ago when council was considering putting a Super Center Walmart across the street and next door to the residents. Fortunately, that did not happen thanks to many residents coming to the public hearings and voicing their concern for our children, safety, etc. Council at that time, specifically the mayor at that time noted that she did not know so many residents lived in this area. That to me is sad that she would not know that or done research in our area to realize the impact that would have. I have lived in this borough for over 40 years and have watched it grow and prosper. I would love to see it continue to grow to keep it as nice as it is. Where I live, we are surrounded by BP properties. I would like for those areas to stay BP as they make good neighbors. There should be no C1, C2, etc properties in or near a residential area. I would also like to know what is to become of the old High School and that property. What if anything is it being used for?	9/2/2022 7:40 AM
152	A very good comprehensive survey. Priorities should be more commercial development. Less residential properties. More open spaces and park development.	9/1/2022 10:49 AM
153	The tract homes are an eye sore The old high school building is becoming an unkept eye sore, weeds along the property, something needs done with that building The practice tee land should become an indoor / outdoor sports facility. If UPMC South goes there, we will move. We don't need another hospital.	9/1/2022 10:26 AM
154	Keep up the good work	8/31/2022 10:05 PM
155	The borough needs to improve Gill Hall Park. The Gill Hall area has been the most developed and there has been almost no upgrades. Yes, they re-did the basketball court, pickleball court and painted the building, but there have been zero improvements to the playground, or the parking issue. People rent out the building, go there to vote, have cheerleading and basketball	8/30/2022 10:31 PM

practices, but people have to park on Gill Hall Road because the parking situation is terrible. The parking needs to be expanded, with spaces painted and a playground similar to the Pleasant Kingdome added. This area of this park has young kids everywhere, yet they have a sub-par playground to use. Also, with the UPMC situation. If they do end up building (which I have no problems with), they should be approached about helping build a Community/Rec Center. Do something similar to what AHN did with Cool Springs.

156	Living on the side of 51 in which we do (Hunter's Fields) we often don't attend gatherings at Reilly Park on 885. Anytime we have been there it is very crowded with no parking. The old high school or the Practice T seem to be good central locations for the Jefferson Hills area.	8/30/2022 10:11 PM
157	The form asking for numeric rating from 1-6 does not work. We entered #1 for the first question and #6 for the remainder. We believe the new housing has over reached its limit. It is getting ridiculous. Jefferson Borough used to be so scenic and quiet. It is just about ruined now. Most of these houses are really expensive, so the borough should be getting plenty of taxes from them so that taxes don't need to be increased. Ask these people for donations and community fund raising. This questionnaire is nice, but do I really think that anyone ultimately cares what I think, nah.	8/30/2022 9:15 PM
158	I think it's great what our police are doing. It's time to bring the community back to a safer and more civilized era. Traffic stops on route 51 are great. Officers busting up these teenage drinking parties are great. DUI patrols are great. I'm glad to see our Police Department is proactive and not reactive like our neighboring communities. Our police have a great reputation among our peer communities, Unlike Pleasant Hills.	8/29/2022 7:05 PM
159	I have lived near Washington Square on Gill Hall Road for over 40 years. Traffic due to development has increased considerably over the years. If at all possible I would like to see some alternate routes towards route 51, route 43 and Old Clairton Road.	8/29/2022 12:48 PM
160	Reopen Gill Hall Fire	8/29/2022 10:16 AM

164	Upmc medical facility/hospital would probably create more jobs in JH and hopefully bring in more businesses. I feel bad for the people who live in that area but we don't need more neighborhoods in any free green space.	8/28/2022 6:51 PM
165	Transparency of money spend from taxes, but keeping the area affordable, communications of information and events, modernization of processes (like tax payments), amenities and convenience of access to businesses, recreation, and safety, are all very important. There also needs to be more sidewalks.	8/28/2022 6:50 PM
166	I will be honest. My kids have graduated from from TJ. My youngest was in the last graduation class. I will always recommend your schools. My husband and I are worried about the taxes going up. As much as I'd hate to do it, we have been considering moving. My chicken and cow sounds are gone. Living out of Allegheny County is cheeper and we are getting older. There is nothing but traffic noises, speeders and drunk drivers now. With the future building plans, my family and neighbors will not be able to get out of their driveways safely on Gill Hall. The only thing that keeps us here is amazing neighbors, friends, near family and the amazing police force. Not sure that's enough when we are trying to just get out of our driveway safely daily.....	8/28/2022 1:01 PM
167	I think the borough needs more businesses and less developments. We do not even have a grocery store and our schools and buses are already at a max.	8/28/2022 11:55 AM
168	Homes valued at \$400,000 or more should have a reduced mileage rate for schools. I have to work 2 jobs just to afford monthly taxes.	8/28/2022 11:35 AM
169	Ridge road is terrible in some spots (although that may be County's problem, it's still bad). The crazy narrow blind bend tunnels in the area are challenging to people new to this area. School buses stopping every few feet to let off one or two children is annoying-wish there could be better designated bus stops, with shelters & parking, for the kids & parents. For example, bus stops at Scenic Hills, let's off kids. Then stops at Castor Lane, let's off kids. Parents picking up kids just park on the road. It's crazy. Would really be nice if there were more sidewalks in the borough & we became more of a "walking community ".	8/28/2022 11:33 AM

Reducing taxes for seniors so they can afford to stay in there homes (they have contributed to the success of this boro but as they age they can no longer afford to live here). Help our fellow neighbors who are not always as fortunate by offering a food pantry, farmer's market, etc. Not everyone who lives in the Jefferson Hills district is living in a \$500,000.00 home. Stop the politics within the school board ( your voted in by the community to do what is best for our students and residents).	8/27/2022 5:59 PM

I'd ask what restrictions there are on single family housing to limit it to a multi-generational family, not multiple families in one house. Additionally, the facilities in JHills are a complete joke compared to Pleasant Hills, Peters and Bethel Park. We need to step up.	8/27/2022 10:56 AM

189	Something must be done to address the tax rate in the community, though much of it is indeed school taxes. The burden would be lessened on all by utilizing available areas to give more shopping/dining options in the community. There are many undeveloped areas that could be put to better use with retail/dining than more housing.	8/27/2022 7:56 AM

193	Lower taxes Don't build more houses than the school can handle Fund the police to the max!	8/26/2022 10:22 PM
194	Many families with young children now reside in the community. As these children grow, they and their families should have a place to congregate, exercise, play, and swim. Similar communities nearby have these amenities. Our community needs a central hub. A rec center can be that hub.	8/26/2022 10:17 PM
195	Rec Center Newer Playgrounds Pool West Bruceton road repairs Stop signs on West Bruceton near Hunter's Field	8/26/2022 10:14 PM
196	We truly need to stop building the type of homes that are targeting younger families. Our schools are too small to support the constant increase in attendance. Although the new high school is nice it is far too small. No one is looking into the future when they design these schools. To hear they are talking about using trailers for classrooms when we pay the taxes we do is ridiculous. I personally think we need to keep green areas but if people have to build perhaps patio and smaller homes for when people want to downsize would be more appropriate. When buildings are built for community use there needs to be a better system of developing the plans, the building should not be outdated before it even opens. The high school has way too much wasted space and the areas that needed to be large are too small. We truly need a nice park as well.	8/26/2022 10:12 PM
197	This survey isn't limited to people in our community and anyone could fill it out (I assume as many times as they want) so the results are meaningless. It's a good idea, but the implementation failed.	8/26/2022 9:32 PM
198	Quit building housing plans and find businesses to open here especially along 51 Corridor, it's ridiculous to keep building Hines and kill green space	8/26/2022 9:18 PM
199	Bottom line is it's really sad that we have no community center and no public pool given the taxes we pay. We pay an extreme amount of taxes and have very few amenities to show for it.	8/26/2022 8:57 PM

Some of the main roads are increasingly dangerous for walkers, cyclists, etc. example Gill Hall Road. Consideration must be given to better pavement and care of Peters Creek Road between Gill Hall and Large. Consideration for sidewalks along major roads?	8/26/2022 6:54 PM
207	Please plan for not just one specific age range. Children adults and senior citizens all need to be considered in decision making and should equally benefit from improvements.	8/26/2022 6:10 PM
208	Be honest. No more back door deals and lying to residents.	8/26/2022 5:22 PM

building homes!!!! The schools are over crowded. We need businesses, restaurants, and a community center.

212	Opportunities for new businesses along 885 corridor, or improvements to existing ones. A community pool/gym/rec center would be amazing. Library could offer more services.	8/26/2022 3:40 PM
213	I truly believe a community center with a public -well taken care of- pool would be beneficial to so many living here. There is so much potential for our community to thrive within, without having to travel to other areas for obvious things. Focusing on the home and families already here, while properly developing more homes and business opportunities would definitely show and grow for the future of our community. In addition, more control on air pollution and cleaner/healthier options to dine with friends and family would encourage people to take action in supporting a healthier lifestyle.	8/26/2022 2:51 PM
214	Pollution control. As soon as you drive into West Elizabeth it smells like a sewage plant. Eastman chemical puts out a lot of the cancer causing agent Benzine. There are just so many bad environmental factors affecting our community and I'm sick of losing people young and old to cancer! It's as if the Floreffe/West E people are not really looked out for. This pollution affects so much more than just this area, but the otger parts of Jefferson Hills are not trapped in the valley of pollution. Maybe we can break some old patterns and I believe a little bit of gentrification is in order so that the entire community is lifted. No socioeconomic stuff. Thanks you	8/26/2022 2:17 PM

217	Please don't pay for any more studies. I believe that we know what to do; attract more business to increase tax revenue, change housing guidelines, and build a community center. Other smaller communities manage to have these amenities, and we can too. Look to members of our community for ideas. And try to get along. Please don't embarrass the residents the way Council has in the past.	8/26/2022 11:55 AM
218	There is continual growth of homes and bringing in new students when classrooms are already overcrowded. There needs to be an additional school and absolutely need to focus on a community center. The old HS is sitting there vacant wasting optimal space for a community center.	8/26/2022 11:48 AM
219	Limit mult family dwelling in single family homes or adjust taxes for school appropriately according to number of kids and families living in the home. Unfair to people living in single family homes sending 2 kids to school when other single family homes have 4 to 6 kids from multiple families living in single family homes paying the same school tax.	8/26/2022 11:31 AM
220	I am really big on getting our police force reformed to understand mental health, and how they handle calls that involved people with mental health issues. I have suggested in the past that they start to consult more with mental health professionals to learn the most appropriate course of action, but not sure what went on with that. I really feel they are punitive in their approach. I also am upset by the amount of development that is going on in the community, Not only are the natural resources being pushed out, but our taxes are going up due to multiple factors, including new construction.	8/26/2022 11:30 AM

224	I would like Jefferson to stop adding housing plans. The amount has skyrocketed in the past few years and I do not believe the effects that will have on our schools has truly been considered. Our schools are not big enough for the amount of kids they are bringing into the area. My main attraction to the area was the quiet and the school district. If it becomes too packed and the education starts to lack because of too many students and not enough resources I will have to consider going elsewhere. I also enjoy how green our area is. Jefferson needs to stop taking all the available green space and putting houses on it.	8/26/2022 10:43 AM

## Jefferson Hills Community Questionnaire

This was a lot nicer place when half of it was farms.

226	I do love living in Jefferson Hills. Ive been living here for 10 years this December. The talk about the community center and pool should not just be talk it should be action. It would be a great thing for the community. A community center can bring revenue by being rented out by residents and non-residents. Classes could be held there which could also bring revenue. Albeit a small amount of revenue it is revenue. Same with a community Pool. You are providing jobs and revenue. Opening membership to the pool to non-residents will bring in revenue for the borough. You can offer a membership to non-residents with the restriction that they must have a resident buy their pass to keep trouble out of the borough.	8/26/2022 10:13 AM
227	Stop building houses! Bring in some retail and restaurants. Get a rec center already with a pool.	8/26/2022 9:42 AM
228	No fracking	8/26/2022 9:36 AM
229	No. More. Housing. Plans! It is overloading all our utilities, displacing wildlife, making our schools so over run that children have to have class in a trailer outside of the school buildings.. enough is enough! The beautiful neighborhood that I grew up in is being ruined by this shit and the inhabitants that move in are typically racist, classist trash.	8/26/2022 9:22 AM
230	We need new restaurants in the area. Not national chains, but small-business type of restaurants. Provide incentives / tax breaks for independent entrepreneurs who want to open up family-owned restaurants in the area. Make it easier for them to rejuvenate the 51 corridor, which is currently a beat-up, old, tired embarrassment of run-down, outdated businesses, half of which are closed..... the borough makes it very hard for new businesses to open up along 51....this needs to change!!! Rejuvenate the 51 corridor, preserve green space elsewhere, stop building Ryan Home and Costa developments everywhere and build a rec center....if you do that, you'll have the best community in the South Hills!!!! One more thing...we DO NOT need a upmc hospital on Practice T....preserve that land as green space!! Thank you.	8/26/2022 9:01 AM
231	TJHS 1.0 has to go. I walk my dog around the building and it is an eye sore and sidewalks are becoming unsafe Embrace the older community. Work to develop a community where they can life and walk to all the services they need. More small mom and pop business to not only provide more options to residents but also diversify the tax base. Think restaurants cigar shop craft beer brewery As mentioned I life in the Gil Hall Area and not having fire protection scares me.	8/26/2022 9:00 AM
232	Get rid of the entire council. Get diverse opinions. Racism is real and happening in our own community, address it immediately.	8/26/2022 8:56 AM
233	My top priorities are preserving green spaces and connecting our community with sidewalks so that residents and children can enjoy nature, recreational facilities, and businesses in our community. It would like to see a sidewalk that connect the intermediate, middle school, high school, and stadium.	8/26/2022 8:51 AM
234	-Please remove some green space and add parking with lines at Gill Hall park. It's incredibly dangerous. -Please do something about the roads in Patriot Point. -Create a space that people can gather with appropriate parking that isn't a church or church parking lot. -Development of community park/rec center.	8/26/2022 8:48 AM
235	Our number once concern is concluding the firehall situation as it is both an embarrassment and endangers public health. After that I, then we should address community amenities such as pools and options should include reciprocity with the school district pool and with neighboring communities. From a development side, I would love to see expansion of residential and commercial mixed areas as well as quality middle density residential. This would support a growing community without pricing out existing residents.	8/25/2022 3:56 PM
236	I think getting input on this plan is a great idea. My thoughts are just off the top of my head. I really think we have to try to improve the appearance of 51. Smashing concrete is not right. Maybe have them put up screening or something.	8/23/2022 8:04 PM
237	If we plan to remain a community where people desire to live, we need to take more aggressive action on reducing industrial air pollution.	8/17/2022 10:05 AM
238	I believe development such as a tax exempt new hospital (UPMC South) should never have been entertained by borough officials. This site would be perfect for green space protection or,	8/15/2022 8:03 PM

if it had to be developed, some good restaurants/shops that would bring some revenue to the borough and enjoyment to the residents would be nice.

239	Please add a community rec center and community pool with more to do for families. We just don't compare to other districts in what we offer our children to do.	8/12/2022 9:08 PM
240	I feel that roads should be a top priority since everyone uses them. The parks can be improved but I am strongly opposed to a community center being built.	8/12/2022 4:57 PM
241	Would like to see the old high school torn down, as time goes on, it is more and more of an eyesore. So many other ways this area could be used.	8/12/2022 12:02 PM
242	We need a road to connect Gill Hall with 51	8/12/2022 8:20 AM
243	Although not a priority, the Borough should consider fixing the issue that has some residents of Jefferson Hills using the Finleyville post office and zip code.	8/11/2022 11:35 AM
244	Community Center. Work with school to remove the eyesore that is the old highschool. Stop fighting about the fire companies. Work to bring business to the community.	8/11/2022 9:46 AM
245	Do not build any more houses!!!! It is ridiculous how many are being built. You are going to start losing people if you don't.	8/11/2022 9:43 AM
246	I hope that the boro takes into consideration everyone thoughts while doing this survey. I have noticed throughout the years that certain members on council have ideas and their ideas are pushed onto other members. Our council needs to have more community input on what goes on it this boro which they do not. I would love to see Peter's Creek Road developed more. It would be great to really clean it up and maybe add a picnic away for people and bathroom facilities for people. A new firehall located on Gill Hall is not needed! As a boro you need to STOP wasting taxpayers \$\$ and reopen Gill Hall Firehall.a Finally, I want to say that I watch the council meeting and I am embarrassed to see how grow adults conduct themselves. Each and every member should be ashamed of themselves. If you cannot act like a human being to each other than step down and let someone, take your place. You have young people that see these meeting or read about it on social media and you except them to look up to you as a role model, guess what they don't. They just think that it is ok to act that why and this is why our kids are the way they are. You are what represents Jefferson Hills Boro, GROW UP!!	8/11/2022 8:55 AM
247	Please open community center	8/11/2022 8:13 AM
248	No additional hospital. Traffic studies for 885 and Old Clairton Rd. Traffic is out of control and the roads are unsafe	8/10/2022 4:06 PM
249	I would like to see any new businesses limited to the area of route 51(and not in residential areas). UPMC would bring jobs/businesses/tax money to that area. I would like to see the small amount of wooded areas and green space remain. Please no more housing developments!	8/10/2022 3:42 PM
250	Add fire station to Gill Hall Rd area	8/10/2022 2:14 PM
251	Please no more housing plans, our schools are being over run.	8/10/2022 1:38 PM
252	I'm really concerned about growth and development, have noticed way to many deer on roads this year compared to past. Got to believe it had to do with us destroying their habitat	8/10/2022 1:09 PM
253	When we moved here and decided to build, we chose this area because of the land and school district. Since moving here, it has been home after home popping up and continuing developments going on. I think the area is overpopulated and it's going to effect the schools, if it hasn't already. Leave the land be and stop allowing developers to move in.	8/10/2022 1:00 PM
254	Stop building housing developments.	8/10/2022 11:33 AM
255	Most important stop depleting the wooded & wildlife areas with Housing Plans. Use to beautiful not so much anymore.	8/1/2022 1:05 PM
256	Nothing in this community will change until Nicole and Keith are voted off of council. I'm glad to see this committee formed this is a step in the right direction but until they are gone... good luck! The community needs more businesses, Floreff and 885 need new fire stations. But you need the tax revenue from businesses to help offset the costs for these new stations or community center. If a business wants to come to Jefferson please welcome them in don't drive them away!!!	8/1/2022 12:57 PM

Raise taxes if you must in order to provide for proper public safety, a community center, and expansion within the borough building. I'd like to see a bridge connecting the Montour Trail on art 51. If you're not going to raise taxes and won't spend money that we have and we continually keep coming under budget, then lower taxes.
